Truancy Prevention Outreach Program

VISION: work to eliminate chronic absenteeism by assisting youth and families through outreach programs and services that address the contributing factors that result in adverse academic outcomes through supported partnerships with CCSD and the community.

MISSION: collaborate with youth, families, schools, and community partners to develop a comprehensive plan to identify, address, and eliminate the root cause(s) of chronic absenteeism.

We are located at 2000 E. Flamingo Las Vegas, NV 89119.

ASSESSMENTS/SUPPORTS

Youth who are referred to the Truancy Outreach Prevention Program receive an assessment to gather information from multiple and diverse sources in order to develop a better understanding of the youth's educational needs in to support the family.

Services are family-centered, considering each family's unique needs and wishes concerning assistance and referrals.

The Truancy Prevention Outreach Program target population is school aged youth in Clark County who are at-risk of chronic absenteeism.

We welcome community inquiries and referrals. Services are free.

Eliminating Chronic Absenteeism through Community Outreach

SERVICES/RESOURCES

The Truancy Prevention Outreach

Program provides services to families district wide. The program is designed to focus on the family, provide in-home support and assist the family with identifying programs and services that will benefit their family, address their identified needs, and are strengths based. Services are free and tailored to the unique needs of each youth and family.

Resources in partnership with The

Harbor include referrals to tutoring, educational support, mentoring, substance abuse interventions, conflict management, job development, counseling, cognitive behavioral therapy and other programs that may benefit family success.
