

KCARE KINGSTON MOBILE CHAIR WITH DROPSIDE ARMS

- The Mobile Kingston Chair with Dropside Arms is a multi-purpose, height adjustable chair with arms that drop down out of the way to enable easier transfers to and from the chair for the user.
- The Kingston has been designed with a large padded back surface that provides extra comfort and pressure distribution for the user.
- The chair is suitable for any area in the home of hospital.
- The castors are lockable to help keep the chair in position.
