## Searching Out Things of God

### Composition of the Man Species: Spirit, Soul, and Body?

**Joh 4:24** God *is* a Spirit: and they that worship him must worship *him* in spirit and in truth ( *in other words God is the Spirit of spirits, and He is God in authority over spirits. In addition He has declared there is none other spirit with authority above Him. Study Isaiah Chapters 40 through 45.*

*And so anything, or anyone, anybody declares in the place of God is conducting idol and/ or false God worship.*

*Even the atheist and those promoting or holding to “evolution” are conducting, “idol/ image (imaginings)” and “false god worship”, because they are declaring something in His place; wishing for His none existence, which is abomination).*

**Rom 2:29** But he (*the redeemed of Jesus Christ*) *is* a Jew, which is one inwardly; and circumcision *is that* of the heart, in the spirit, *and* not in the letter (*or trust in ones ability and strength to do the written law*); whose praise *is* not of men, but of God.

**1Co 2:11** For what man knoweth the things of a man, save the spirit of man which is in him? even so the things of God knoweth no man, but the Spirit of God (*In other words; no matter how much we may learn of GOD, there will always be much we must accept by “FAITH”*).

**Heb 4:12** For the word of God *is* quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and *is* a discerner of the thoughts and intents of the heart (*or spirit*).

**1Pe 3:4** But *let it be* the hidden man of the heart (*which is the spirit*), in that which is not corruptible, *even the ornament* of a meek and quiet spirit, which is in the sight of God of great price (*When we study 1Peter 3:1 through 3:4 we see that Peter is explaining how to win a spouse (or anyone else) over to God and the Lord Jesus Christ. If the person will not hear the convincing words of scripture, then let it be done by “the hidden man of the heart” which is the spirit*).

**My Observations:** Explained/ written to the best of my perception, of, “Searching out Things of God”.

Spirit is –

The non-decaying essence of a being’s given by the life of God.

And, “one’s evidence” of the spirit of life is manifestations of physical animations while the spirit is bound with the natural body. Once the spirit vacates the natural body there is no life and animation of the body.

Soul is –

The soul is the intellectual passage-way of the spirit that provides for the capability to have presence of mind, know of the existence of God for the physical being, and for the physical being to know his natural surroundings. The consciousness of a being is considered to be in the soul.

Without the soul one could not be conscious of God, and anyone that purposely (by consciousness) dismisses the existence of God cannot come to the knowledge of the truth; for God is not absent from the truth!

The testimony of this is by written Judeo – Christian Bible Scripture, the word of God made flesh, which is the Lord Jesus Christ, and the Holy Spirit of God giving His continued witness.

Soul also is the transparent, likely non-physical, attribute of a being along side the, “breath of essences of the real God”, which is the spirit of a man.

I speculate that the **soul and spirit** conforms to the figure of the body, their container and house; until the physical is separated due to physical/ natural death.

Only God can separate the immortal spirit and soul unto destruction. The body is physical, completely fragile, and may be destroyed even at the hands of a child.

## **A Word of Knowledge**

The Week of 10 November 2010 –

After three to five days of assembling this message/ text above, I was at my computer keyboard, and as it is not unusual sometime, I began to doze momentarily. Then I heard a voice inside that startled me to full consciousness which said, “**The abysmal is here.**” Now, I would not have considered the statement anything unusual or worthy of investigation, except I had no definite understanding of what “abysmal” meant at the time, nor could I recall giving much personal attention to its use before then. In fact I began investigating the word on my computer using the spelling “abismel”. The computer search engine continued returning the results “abysmal”; so this is the spelling I used to conduct further investigation. The meaning of the word is as follows:

Abysmal –

abysmal

*adjective* [dreadful](#), [bad](#), [terrible](#), [awful](#), [appalling](#), [dismal](#), [dire](#), [ghastly](#), [hideous](#), [atrocious](#), godawful (*informal*) The general standard was abysmal.

End of Discussion –

Since we live in a time of much concern about this nation and the world's state of peace and economical affairs: wars, terrorisms, diseases, and so many other harmful situations, I thought of this message as a word of knowledge that those things talked about in the Book of Revelation are upon these present world civilizations, and that the man of sin is soon to be produced by such a generation as ours.

While it is true that none of us can correctly predict the occurrence of such revelations within our own ability, God may choose to reveal what he will through anyone by his Spirit; for all knowledge and wisdom is in the mind of God.

Furthermore, the proof of what God reveals is manifest according to His time and purpose; our personal speculations are not so, and may never manifest. But any word from God shall always be manifest; this is how we may have confidence whether it is from God, or man.
