## Mission Impact

### *Mission*

*To provide educational resources to k - 12 students in San Antonio public schools who lack the necessities for academic success*

This section gives insight into what is important to A+ Academic Resources and shows the impact our programs and services have on mission accomplishment. The organization's programs and services are consistent with its mission and tax exempt purpose. As indicated below, our programs are striving to significantly impact the communities we serve.

### Academic Resources Program

The Academic Resources Program provides academic resources such as (a) school uniforms, (b) gym shoes, (c) backpacks, (d) books, and (e) school supplies for children to go to school and learn. These resources are provided to children in need. Beneficiaries are students attending public schools, from K - 12 grade. A total of **\$483** supported **60** families.

### *Operation Delivering Christmas Smiles IV*

Delivering Christmas Smiles brought so much joy to the children in San Antonio's District 2. We joined hands with Big Mama's Safe House, a Safe Haven in the heart of District 2 which promotes gun violence prevention and education, to maximize efforts to help these deserving children. They received sports toys to get them outside for physical activities such as soccer and basketball. A Texas-sized thank you goes out to HEB, Academy, Bed Bath & Beyond, and Big Lots for the incredible sales and discounts. These allowed us to score big on the "outside" gifts that encourage children to form healthy groups and harmonious friendships.

"Special thanks to our partners, our volunteers and our youth who made this ALL possible. We served over 60 families today. We continue to serve in the community focused on ending gun violence in our black and brown communities through the LOVE of Jesus Christ. ❤️🧡💜"

– Rose Williams, Executive Director, Big Mama's Safe House

### College & Career Track

Team A+ visited the University of Texas Health Science Center at San Antonio (UT Health San Antonio). At this leading multispecialty and research hospital, we learned about the various career paths a student can take to become a medical doctor. UT Health is a “forward-thinking” academic medical center with a mission to make lives better through excellence in advanced academics, life-saving research and comprehensive clinical care including health, dental and cancer services (<https://uthealthsahospital.org>). As such, we look forward to touring the “best-in-class hospital” with students (aspiring doctors) from SAISD schools.

“Tomorrow’s medicine begins today at UT Health San Antonio Multispecialty and Research Hospital.” – UT Health San Antonio

### **Funding the Mission**

Fundraising is mandatory for nonprofit organizations since they rely heavily on in-kind donations to obtain needed resources to provide mission-essential programs and services to those in need. A+ Academic Resources Staff gave **\$100** and raised **\$383** for a total of **\$483** to fuel the organization's mission, programs, and services which allowed Big Mama's Safe House and us to serve **60** families. We will continue to collaborate with nonprofits and businesses with common goals for mission success. Joyfully, we will invest our time, talents, and treasures to provide academic resources and educational experiences to achieve students' academic success.

### **Staying Connected**

Team A+ stands ready to give our best for the wonderful children in our community. We serve disadvantaged children in **4** youth organizations. We will *stay connected* to our community partners and the children we serve via phone, email, and social media networks. Team A+ appreciates the opportunity to serve students by meeting their educational and practical needs. We aim to **share the love of Jesus Christ** by meeting the needs of youth who need us the most. We do this by continuing to offer our mission-linked programs and services to children, especially during crisis. Our brand is Love.

Team A+ is honored and humbled that we can make a positive impact in the children's lives through volunteering, donations, and annual gifts.
