Sylvia Vaags
Board Secretary

Welcome to the 139th Springfield Country Fair on July 15, 2023! Our theme this year is "Celebrating Country Life"

Congratulations to the Rural Municipality of Springfield on their 150th Anniversary! What a testament to the perseverance of the men and women who created a vibrant community despite many obstacles and hardships in this area.

Over the years, many have also worked to bring the community of Springfield together to celebrate at the Springfield Country Fair, despite their incredibly taxing lives of producing the food and other necessities for their own families and their country. They saw the importance of maintaining a sense of community in this gathering to appreciate each other's efforts and to enjoy each other's company. To those in the past and to those who have been part of building our past, I say Thank You!

It is our hope to highlight the importance of the Agricultural aspect of our municipality for the next generation, for those who are increasingly distanced from the source of their food.

We appreciate those who commit to continuing this symbol of community that is the Springfield Country Fair by entering their exhibits, sharing with us the joy of creating and preserving. To enter, just check out this Fair Book (online at springfieldagsociety.com) and see how many opportunities there are for "friendly competition". We look forward to seeing this year's crop of creativity, especially in this year's Springfield Pride Photo contest with the theme "Celebrating Country Life" and your entries in the Digital Photo Contest.

The Schedule of Events is on page 1 of this book. Make sure to sign up for the friendly Canadian Wellington Boot Throw Competition (AKA "Huck-a-Boot"). It's the trademark of our fair and it is open to all ages. Plan to participate in the Scarecrow-making Competition (you can bring your own props and costume or use the ones provided). There's also Entertainment, the Cribbage Tournament, the Tractor-pull and the Bicycle Decorating Contest. Check out the Antique Tractors, Cluck and Quack displays, Pony Rides, Mini-Golf, crafts and games for the kids, Bouncers, Barrel Train rides, free cotton candy and Clowns. ALL ACTIVITIES are included in the entry fee of \$3 each or \$10 per family.

Thank You to the many volunteers who have combined talents and efforts to bring us the Fair: they are the key to the success of any community event.

We are also very grateful for our community sponsors for their generous support, enabling us to bring a top-notch, affordable event for the families of Springfield. Please look for their advertising in this Fair Book and continue to support them.

POINTS CONSIDERED IN JUDGING FRUITS AND PRESERVES

Canning:

Fruit is cooked in a liquid, either water or syrup, made from sugar and water. It may be cooked by the openkettle or the closed jar method. The latter is more common. In judging canned products, if the seal is not perfect, the jar should be disqualified and so marked on the entry slip. If the contents of a jar appear questionable the jar may be opened. Citric acid should be added to tomatoes when canning to ensure their safety. The proportions are:

1 tbsp. boiling water and 1/4 tsp. citric acid per pint...or...
1 tbsp. boiling water and 1/2 tsp. citric acid per quart.

Points:

55 Appearance

Condition of finished product - original shape

Natural colour - free from blemishes or spots.

10 Container

Clean and free from surface soil, appropriate in size and type.

The colour should be bright and the texture relatively uniform. As a rule, jars contain but one kind of fruit. The flavour should be characteristic of the fruit used.

Marmalades are made from the pulp and juice, or entire fruits shredded or cut in small pieces. The consistency should be jam-like or jelly-like. Single fruit may be used, but often two or more are blended.

Conserves, consists of two or more fruits and may have the addition of nut meats. The size of the pieces may vary. There should be no free juice. It is thinner than jam, softer and spreads easily.

It should be tender, easily cut, leaving clear shining faces and sharp edges. It should retain its shape when removed from the container, and should quiver, but not shake, when disturbed. It should not be gummy, syrupy, sticky or rubbery. The flavor should be characteristic of the fruit.
