## A Few Words From the President

*-Bill Canaday*

Fellow Ring 16 Members: 2020 has been a very different year, to say the least. It has also affected our Profession, Art, and Hobby. More on that, first, however, we have lost friends in recent months: Mike Rice, and Dick Williams. These two

Gentlemen will always be remembered, and Dick will always be thought of as a Giant in Memphis' Magic History. We will miss them both, and our thoughts and Prayers are with their friends, families, and fans. As I was reading our Linking Ring Magazine, I noticed that it seems all of our fellow Rings are doing Zoom Meetings. Even though I, like you, I'm sure, will be glad to get back to in person Meetings, at least we can be with our fellow members, and Members from all over. Grayson, Jeff, and Kathy are to be commended for organizing our own Zoom Meetings, as our next one will be this Tuesday Night. I hope you can make it, and Happy October, which includes Oct.31st, what is now known as World Magic Day. True, it is Halloween, however, it is, ironically, the Anniversary of the death of Harry Houdini, in Detroit, Michigan. this year will Commemorate 94 years since he passed away. In the meantime, I hope this finds you and yours well and safe! See you Tuesday!

## Notes from the VP

*-Mike Waits*

Greetings hope all is well. Cant wait for our upcoming lecture Morgan & West coming all the way from the UK. May be with all of the restrictions getting lifted we will be doing some in person sessions, until then keep up your chops and cant wait to see you at our next Online Meeting.

## **ZOOM LECTURE:** *Morgan & West*

Come to Germantown Presbyterian Church on **October 17, 2020 at 1:00pm (Central Time)** to see the lecture that will be presented by Rhys Morgan & Robert West (Morgan & West). Their lecture will include a lot of what they perform in their show, *"Parlour Tricks"*. They will also talk about some of the finer points of what can make YOUR magic even greater with some tips and pointers that they have been using over the years.

**(( PLEASE READ CAREFULLY THE INFORMATION BELOW ))**

A few days before the event, Rhys Morgan will send me a **ZOOM** link for the lecture. I will connect a laptop to a sizeable flat screen TV in Warren Hall, which is a large fellowship meeting room in the church. This is the same room where the July Magic Auction was held. We will all be seated in chairs that are positioned at a safe distance from one another. For your convenience, I suggest that you park in the **NORTH PARKING AREA** just outside of the small chapel and just below the Warren Hall doors.

***I also suggest that everyone wear some sort of face coverings. If this is something you do not have, one will be provided.***

If you will not be able to attend in person, please just let me know and I will provide you with the link, but only after you send me your payment via PayPal.

**RING16 MEMBERS - \$20**

**NON-MEMBERS - \$25**

The address of this lecture is:  
**Germantown Presbyterian Church**  
**2363 South Germantown Road**  
**Germantown, TN 38138**

If you have any questions regarding any of this information or if you have difficulty finding the location, please give me a call.
