NEWSLETTER - 1ST QTR. 2022

Dear Friends in Christ,

We are thankful to the Lord that He is our **Foundation** upon which we can build our lives and by which we can have stability in times of trial and testing. He is the **Source** of every good thing we enjoy in this life. He is the **Answer** for each and every problem we face. What a blessing to know Him and to be in His service!

Family News

We praise the Lord that our daughter Elisabeth's heart procedure went well without any complications and she has been recovering just fine.

It looks like Phil will have a surgical procedure done on his hand for a condition called 'Dupuytren's contracture' before we return to the Philippines. Pray this also goes well.

Ministry Updates

What a blessing to hear of another young man who got saved a few weeks back who has been attending our ministry activities on and off for a couple of years now. One of our staff noticed he seemed under conviction and witnessed to him once again and he came to Christ!

There will be several young adults ready to be baptized when Rachel and I get back over there in June.

Summer months have started and so has our VBS - this year, for the first time since 2019 we are able to bring all the kids together on our property again like we always did. So far this week (April 18-23) they are having a little more than 150 kids each day (pics below).

Our staff and many of our church family have volunteered their time to organize and run the entire VBS and they have done a fine job so far even without us being there (and I thought all along they needed me to direct them 😊).

Our children's home has received 2 more baby boys since the beginning of this year (pics below) which gives us a total of 7 children in the home now and 1 who has graduated - Philip who was adopted by the lady in charge of the home. We thank the Lord for the dedicated staff who take very good care of the kids 24/7/365. The Lord certainly does watch over these dear children and has provided everything they have needed for the past 10 years!

With the onset of the summer months our staff has many planned activities in the weeks ahead including: another VBS on a nearby island for the 100 plus children there, a one day evangelistic outreach for the children, teens and adults on yet another island off of our coast, a music camp for our church family, a teen camp and more. I thank the Lord that our staff are more than capable of carrying out all of these activities without us having to be there. I also thank the Lord that they desire to carry out those activities

without me having to push them to do so.

Prayer Requests

- For the Philippines to drop the vaccination requirement for all foreigners entering the country which was put in place last February 10.
- For the construction of our educational building to begin as soon as possible.
- For political stability in the South China Sea which borders the northern island of Luzon where we live.
- For more souls to be saved and discipled.

With all of the crazy things happening in our world these days, we are motivated more than ever to keep ourselves busy in the Lord's work, knowing that our true enemies are spiritual powers who work to prevent the eyes of people from being opened so they might see and understand the glorious Gospel of Christ and their need to repent and believe in Him! May the Lord give each of us the boldness to share this much needed message with those whose eyes are blinded.

We praise the Lord for your faithful prayers and support which allow us to minister abroad. We pray the Lord will continue to bless each of you and that you will remain faithful to our Lord Jesus Christ.

Serving in His fields,

Phil & Rachel Frasier
