

RNAO Windsor/Essex Chapter Annual General Meeting

Dinner & Discussion

Come out for this fun, once-a-year event to network with nurses in our community. Have some fabulous food, socialize and learn more about what RNAO is doing for YOU. We will also be honouring member emeritus, quarter century members, as well as presenting the 1st annual Award of Distinction to a special RNAO member! We will also be holding elections for Executive Committee positions (see attached nomination form). Have a say in what future endeavours we pursue as a chapter and organization.
