CASS

Casper Autism & Special Needs Support
(formerly "Casper Autism Support")
is a 501(c)3 nonprofit organization that exists to support Casper-area families.

Our group is free, non-discriminatory, and open to all. The goal of CASS is to support families who have children with special needs; to educate about available services and advocate for more; and raise awareness of the needs of the disabled in our community.

A support group for
Casper-area families.

Raising children with disabilities is a journey...

Casper Autism & Special Needs Support is here to help. No matter where you are on the path—from initial diagnosis to early intervention, school transitions to adult services—CASS can provide guidance, advocacy, community resource information, and disability education. Additionally, CASS promotes educational opportunities and awareness throughout the community, and we hold fundraising events to support families experiencing financial hardships.
