

TEAMWORK means working together with other people to reach a goal. Sometimes, we want to (or have to!) do things that are big jobs, and we may need help to get those jobs done. Think of a sports team. No single person on the team could play the whole game by themselves; they need to work with their teammates to reach their goal (win the game!)

**TEAMWORK TIC-TAC-TOE**

Read each of the stories below. Put an 'X' on the stories where the people don't show TEAMWORK. Circle the stories where they do show TEAMWORK

Some of the kids help keep score. Other kids cheer on their teammates. Are they showing teamwork?
