Ministry Notes

September is traditionally a time of getting ready. Getting ready for school, winter, new schedules and activities. This year there a LOT of getting ready going on. And a large part of that getting ready, is dealing with the complexity of interactions and making contingency plans. Thinking through all the “what ifs.”

This is what I’m tired of. I get exhausted just thinking about confirmation, I can’t imagine what families with school kids are going through right now... Please know that I’m very intentional about holding all of us in prayer during this uncertain?, confusing?, infuriating?, perplexing? time...

I’m also concerned about our community businesses. It would seem that big retailers have done well, but small businesses haven’t. And despite the challenges, I’ve been impressed with the ingenuity of some to keep things going. In fact, it’s rather inspirational. I had lunch with a friend in downtown Hastings last week, the city put up concrete barriers in the street so restaurants can serve people outside and in safety. Great example of people working together and coming up with solutions.

When this pandemic started, I thought it would be an inconvenience for a few weeks and life would go back to normal. Now, almost 6 months into it, and still with much uncertainty, I don’t know what normal is anymore. The ground feels like it shifted...

And yet, and yet... We are people of the resurrection! We fundamentally see things differently... My prayer is that we continue to live into grace and compassion. That we all recognize

many of us might be doing alright, and at the same time, many of us might be sinking into debt and despair.

It's especially in anxious times like these, we remember not to be judgmental. We really don't know what the next person is going through. So, we need a lot of grace and compassion!

And I think I've seen it! I've seen people giving big tips in restaurants... I've seen people going out of their way to do engage a vulnerable business... I've seen families intentionally connecting more... I've seen neighbors helping out other neighbors... I have seen a lot of grace and compassion! And I bet you have too!

And I wonder... Do you suppose that one day we will look back on this time and remember it as a time of heightened grace and compassion? Or will we remember it as a time of hatred and division? In truth, probably a little of both...

One thing is sure. What we see and how we see it, will determine if we are loving, kind and gracious people, or just flat out cranky people. And as I get older day by day, I realize, I want to be remembered and experienced as a loving, kind and gracious person. Maybe that's just aging, I don't know...

Sometimes I sit in the office and just look through the directory. I see faces of so many loving, kind and gracious people. This is who we are—trust it and know it deep in your soul!

Please join with me in a little prayer, “Gracious Father, teach me to count my blessings... Amen”

So, go in peace, and serve the Lord... **Thanks be to God.**

Financial News:

Thank you for your continued financial support during this time! We know that many of you have added stress, expenses and maybe a decrease or loss of income right now, which makes your gifts even more meaningful. Giving has dropped in the summer months, as expected.

We received a quote from American Church Group for **property insurance and workers compensation insurance**. Council voted

to move forward with the company. We will save almost \$600 a year.

Rebecca has started mailing our **quarterly tax filings** by certified mail, which requires a signature on delivery and is trackable.

\$500 was sent to the **Prairie Island Cemetery** to help with maintenance costs.

A laptop and accessories were purchased for Deacon Todd to help with the technical requirements of putting together virtual services. The cost was \$496.

\$400 was donated toward the **furnace** purchase in July.

Portico (Todd's benefit provider) has eliminated part of our monthly **retirement premium**, due to the underfunded account becoming fully funded. This will save us roughly \$25/mo.

Pestop sprayed the church and parsonage this spring at a cost of \$225.

Ron Hanson was reimbursed \$200 from the Council Discretionary fund for **Softball dues**.

We received the **Paycheck Protection loan** on April 22 in the amount of \$16,500. We are currently waiting for more direction from the bank and Small Business Association on how to obtain loan forgiveness. There will be more updates as the process moves forward. These funds are NOT included in the Income/Expense graph.

THANK YOU to everyone who designated their 2019 **Thrivent Choice Dollars** to Cross of Christ. You can designate Choice dollars earned so far in 2020 at any time. Contact your advisor or go to www.thrivent.com for more information.

The **Kwik Trip cards** are still available through Julie Schriefels at 388-2326. A portion of your purchase price comes directly to Cross of Christ. It is a very easy way to support your church!

The **Simply Giving Program** allows you to have your church offering automatically deducted from your checking or savings account, biweekly or monthly. Please contact Rebecca Peterson for help with setting up scheduled donations through Simply Giving.

If you make any purchase on **Amazon.com**, you can designate .5% of your order to come to Cross of Christ by using **smile.amazon.com** instead, and designating us as the recipient.

The next Finance meeting is scheduled for **Wed, September 2, 7:00 pm**. Detailed reports of income and expenditures are always available upon request.

Missions

Mission Updates:

Please continue to save your Family Fare store receipts! Both Cross of Christ and Cannon River churches are collecting receipts and participating in this great mission outreach. Buckets are located at both Churches for easy drop off. Remember that only the store receipts are valid; no e-receipts.

To date, our collection totals \$129,400!!

When the receipts total \$150,000, we will receive a check for \$1,000 which will go to Feed My Starving Children.

We have already reached this goal twice, and are now on our third collection. It's amazing!

Shop, bring your receipts to church and we will support children who are hungry! **Thank you,** the Mission Committee

Blanket Collection

The Missions Committee will be collecting gently used and new blankets and sleeping bags through the month of September. As the weather gets colder, there is a growing need for warm supplies for those folks and families living on the streets, in tents, or in their cars. There is an inner city mission in Saint Paul called "Listening House" asking for donations.

You can check them out at <https://listeninghouse.org/>

The homeless shelters are very challenged right now to follow new regulations for cleanliness and the number of people they can house. These

shelters will quickly run out of beds, forcing more people out on the streets.

The blankets must be in good condition; wash them if possible.

Inspect each item for rips or if there's stuffing coming out! We want to collect them as safely as possible (please don't donate if anyone in your household has been ill).

We have designated a table for drop offs in Dahlen Hall; the area is clearly marked. If preferable, you can leave them inside the door if Todd is at church. Also, Sue Hill is willing to pick donations up at your home. Call her cell at 651-503-4455 to make arrangements. The blankets and sleeping bags will be aired out and delivered to the Listening House. Our collection ends on September 30th.

However you choose to donate it is appreciated! Thank you for contributing to this ministry for people who long to feel the loving warmth of God's people!

Your Mission Committee

In Person Communion

Once again we will be scheduling in person communion in August. Each family will have a 10 minute period of time to come in the church and have Communion at Cross of Christ Church on **Sunday, September 13th** starting at 10:30am.

If you know you would like to participate in communion, please contact the parish secretary at secretary@cccrchurch.com or by phone at 651-388-3464, or cell 651-380-6323.

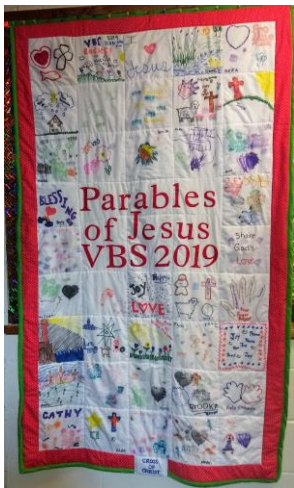

TASTE OF WELCH

Please return raffle packets by October 4th or earlier. Raffle packets will be available shortly. Many are being picked up and others are being mailed out. PLEASE READ NEW TICKET INFORMATION CAREFULLY. If more tickets are needed please let Millie Niebeling know at 651-380-0776.

Julie Schreifels and the Taste of Welch Mission fund raiser committee are working on this. We are raffling a quilt and other items, if you have something you would like to donate, contact Millie Niebeling at 651-380-0776 or Kelley Mittlesteadt at 651-764-9889. We are getting gift cards and certificates like in the past.

Youth and Learning News

Sunday School will begin when in person worship services resume.

We miss seeing and interacting with our Sunday School kids.

No Youth events are scheduled at this time.

The VBS 2019 kids decorated quilt squares. The quilt is finally finished and on display on the downstairs bulletin board.

The Learning and Youth committee suggests families explore the Virtual Village activities through Good Earth Village go to <http://goodearthvillage.org/> then select the Virtual Village tab.

*We will also be offering **Activity Bags** to those families who would like some Christian activities for their children. Contact Julie Schreifels or the church office if you would like one.*

Confirmation – Kiersten Peterson Confirmation service will be held after services are allowed to resume in the sanctuary.

First Communion for 5th graders and other children whose families feel they are ready will take place after church services are allowed to resume in the sanctuary.

Confirmation Classes will resume in September. Deacon Todd will be contacting students and their families with more info.

Activities & Reminders:

Mission Projects:

Buck-A-Chick – The Sunday School will be selling “chicks” for \$1.00 throughout the summer months How will we do this?

Copies of the Buck-a-Chick coloring pages will be available near the Buck-A-Chick display for families to pick up. The kids will color them and return them to a basket on the coat rack above the

table just inside the Dahlen Hall door. When people come in, they can purchase one, put their name on it and put the Buck-a-Chick and their donation in the gold box with a star on it.

The Buck-a-Chick fundraiser will provide chicks for families in impoverished areas of the world. They will be purchased through the ELCA Good Gifts program. ELCA World Hunger responds to the root causes of hunger with work in 60 countries around the world, including the United States.

Weekly offering will be used towards the assistance of Gabby, a child in Tanzania. She still needs to be supported so

Unfinished Business

***Deacons Report**

Deacon Todd talked about the upcoming conformation class with approximately 5-6 students and will look into in-person class with the possibility of meeting on Sunday afternoons, with being accommodating as much as possible. Class will begin around

September 20th. Todd will continue to keep the 1st communion students and confirmation student on schedule when services are back in person. Todd has been more active with visitations. Todd will be taking some time off in September and suggested to use the Synod worship video as service for September 6th.

***Church Re-Opening/Virus Talk**

Council members discussed the recent phone survey conducted, with praise to all who had a part completing and compiling the information received. The results came in at approximately 60% wanted the church to stay closed and about 40% wanted it open. A condensed version of the results will be in the September Chronicles. ***A motion was made and seconded to discuss the church reopening at the September council meeting. –Motion Passed***

New Business

***September Council Person-Oscar Daley**

***New Insurance**

New Insurance was discussed for the church from Brotherhood Insurance through American Church Group of Minnesota due to workers comp issues within the current policy. Cannon River currently has the same insurance. If Cross of Christ switches to Brotherhood Insurance, Cross of Christ will save approximately \$590 per year, with additional coverage. The church would be covered for \$1.6 million, with the contents covering \$240k, Parsonage covered at \$323k, garage covered at 10k and picnic building covered at \$20k. ***A motion was made and seconded to switch coverage to Brotherhood Insurance. –Motion Passed.*** Rebecca will look into any fees or fines for cancelling other coverage before switching.

***4-H**

Rebecca was looking to hold 4-H meetings once again at the church. The council agreed supporting the 4-H is important and agreed to have in-person 4-H meetings at church using the outdoor facilities as

much as possible, social distancing, wearing face masks and no consumption of food.

Committee Reports

*Finance

A motion was made and seconded to approve the financial secretary reports. –Motion Passed

*Property Management

The L.P. contact has been signed.

Ramsbachers will come and glue the carpet in the sanctuary once the humidity has settled and the carpet has laid flat again.

Oscar has cleaned up and burned the brush pile and leveled a few areas as well.

Two new storm doors have been installed on the parsonage.

Clean-up and organization of the garage will be done.

*Worship & Music

In-Person communion is scheduled for Aug. 16th. Kelly Mittlesteadt and Kris Portinga volunteered to help Joan.

*Missions

The receipt collection is about \$20k away from the goal, keep shopping and saving those receipts to turn in. Another making and collection of masks are underway, anyone can help.

Ron will check with Cannon River to see if a September joint meeting is needed.

The meeting was adjourned with the Lord's Prayer.

Respectfully Submitted,

Deanna Gehloff
