

WEEKLY REGULATORY DIGEST: WHAT DO **YOU** GET?

Learn more about [regPULSE](#)

LET'S FACE IT....

- You are vested in a great and absorbing job which allows you to add value to your firm, give you much satisfaction, recognition and reward.
- Time is scarce, you could do more to optimize your process and achieve better results.
- If only time could be spared when getting appraised of regulatory changes, new best practices, and generally where the supervisory framework is heading towards.

LET'S ASSUME....

- You have requested a free trial subscription for one month delivery of the “Weekly Regulatory Digest”.
- What do you get?

THE «REGULATORY DIGEST» DELIVERY PACKAGE

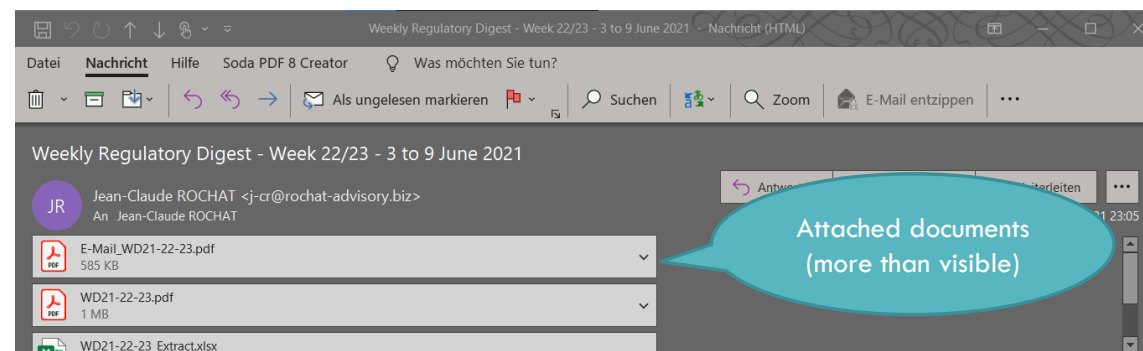

- Delivered to your e-mail inbox, generally on a weekly basis
- Customized message addressing your needs
- “Pulses” → selected entries included in the Regulatory Digest
- E-mail summarizing “pulses”, broken down by regions, taxonomy-tagged, referenced to main document (e-mail also attached as pdf-document)
- Main document, full text, by severity, tagged for key, internal audit, type, status, reference to original document (named, pagination)
- Excel spreadsheet with all of above information and more flags
- Charts
- Relevant documents important to you, attached for your information (up-to-reasonable size)

E-MAIL MESSAGE

- E-mail is delivered with attachments: standards and circumstantial.
- Standard attachments include:
 - Document-version of e-mail (pdf)
 - Main “Weekly Regulatory Digest” document (pdf)
 - Excel extract of information published through the current distribution, including an extended set of tags
- Circumstantial attachments include any document that the recipient is deemed to be interested to up-front (max. 2 to 3).

With customized message

Weekly *Regulatory* Digest

Week 22/23 – 3 to 9 June 2021

New interesting regulatory developments noted this week for you. I also enclose the latest preliminary draft from NIST on Cybersecurity Framework Profile for Ransomware Risk Management which might be of interest to you.

All the best, Jean-Claude
