

Heritage Transport Expo Saturday 8th October 2022

Wayne, Ian and Carol and Graham and Shirley turned up at the National Railway Museum for their annual Heritage Transport Expo together with other vehicles from other clubs.

With free entry into the Museum grounds for vehicle drivers and passengers, rides on trains and rides on heritage buses around Port Adelaide what a lovely day out for all concerned.

The BBQ available was very busy as well as the Cafeteria Car and the grounds had plenty of the general public looking at exhibitions and trains.

The event was being held on the Saturday and Sunday but Saturday was the best time for all of us.

2022 Ford Invitation Picnic Photos Sunday November 6th 2022

After dealing with wet weather and the threat of cancellation our 20th Ford Invitation Picnic turned out to be most successful. Although parking was not allowed on the Oval all who attended found perfect spots around the outskirts.

The Early Ford V-8 Club celebrated two important milestones with a cake for each, one being the 90th birthday of Henry Ford's low priced V-8 engine and the other the 45th birthday of our Club.

An excellent effort by our Club with 13 vehicles and the V-8 display courtesy of Mark Seidel.

Thank you to all who attended and assisted with the organisation and those who helped out on the day.
