

RESOLUTION 2014 - 1

TOWNSHIP OF MOE

RESOLUTION REGULATING DRIVEWAYS AND APPROACHES ONTO TOWNSHIP ROADS

BE IT RESOLVED by the Board of Supervisors of Moe Township that all driveways and approaches meeting a township road must meet the following requirements:

1. Install a galvanized steel culvert of not less than 15 inches in diameter unless determined by a Supervisor that a smaller diameter will be sufficient or one is not required.
2. All culverts on Moe Township driveways and approaches will be paid for by the abutting owner.
3. Driveways and approaches must have a top surface of not less than 20 feet and a slope of not steeper than 4 to 1.
4. Culvert must be installed so that the bottom of the culvert is at grade level or slightly lower.
5. Filling or restricting natural drainage way within the township right-of-way is prohibited.
6. Prior to installation of culvert, contact a member of the Township of Moe Board of Supervisors for approval.

THIS RESOLUTION BECOMES EFFECTIVE THE 2nd DAY OF SEPTEMBER, 2014.
