

CASCADIA

SPORTHORSES

Training Rates Effective 1/1/2020

Board and Training: \$1450.00/month

Including, but not limited to, training rides, lessons, turnout, mane pulls and mane training, routine clipping of bridle path, legs and ears, blanketing and feeding of supplements.

Sale or Lease commission: 15% of sale or lease price.

Horse Show Fees: \$150/day

Including, but not limited to, services included in training, grooming, stall cleaning, ring side assistance, administration of medications provided by owner at their expense and lunging.

Farrier: Starts at \$200.00 for full set.

Extras including pads, drill and tap, aluminum for an additional charge at owners expense. All horses are kept on a 5 week schedule.

Supplement Package: Starts at \$75.00/month

Horses arrive in various conditions. Some are slick, in great weight and ready to go. Some are not. If we feel your horse would benefit from supplements and the owner is not providing them, we will happily supplement your horse with products we use and trust to put weight on, bring out a shiny coat and calm a nervous stomach. Our goal is to have each horse looking and feeling their best. Supplements can make a big difference achieving that goal. We highly recommend Equine Omega Complete and ImmuBiome.

Body Clipping: \$200.00 additional fee if sedation is required.

Hauling: \$150.00 'hook up' fee plus \$1.50 per loaded mile.

Professional Photography or Videography: \$150.00 minimum

Available for sale horses that do not come with high res professional videos and photos.

Veterinary care and alternative treatments will be billed directly to owner by provider. Cascadia Sporthorses requires that all owners keep their accounts current and that all sale horses remain free and clear of any debts, liens or encumbrances.
