

The Voyage of the Ark

Genesis 6:13-22,7:1-24,9:11-13

As time passed the people in the world became very evil. Elohim told Noah to build an ark because He was going to destroy world with a flood.

Noah built the ark as Yahweh told him with wood from Cypress trees.

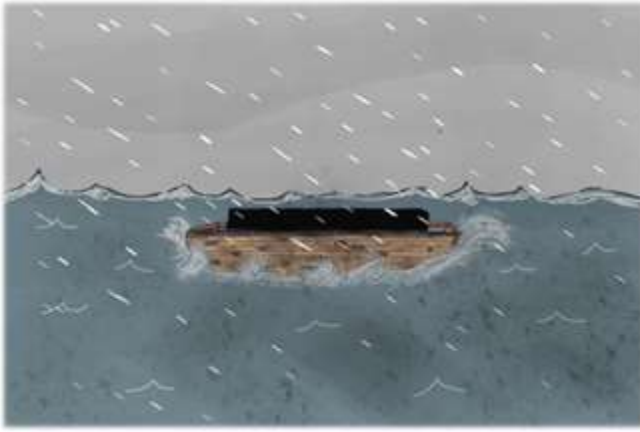

Noah's family gathered food to eat for themselves and all the animals on the ark.

Yahweh told Noah and his family to enter the ark with all the clean animals by sevens and the unclean animals by twos, male and female.

Yahweh shut the door of the ark and it begins to rain.

It rained for forty days and forty nights and the whole earth was covered in water!

At the end of forty days, Noah opened the ark window and sent out a raven to find dry land.

Noah also sent out a dove to find dry land

The dove could not find dry land and returned to Noah

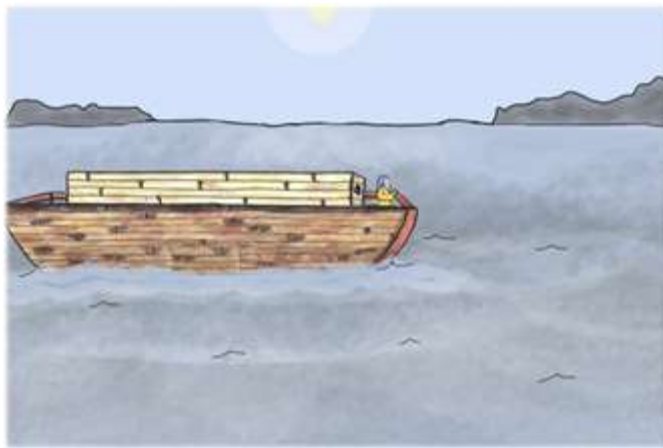

He waited seven more days and sent the dove out again.

In the evening the dove returned to Noah with an olive leaf in her mouth! She found dry land.

Noah waited seven more days and he sent the dove out again. She did not return this time.

So, Noah removed the covering on the ark and he saw dry land!

The ark rested on the mountain of Ararat and Noah and his family went out with all the animals. Yahweh sent the rainbow as His promise to never destroy the world again with a flood.
