JANUARY 2023

President's Message

Hello guild members,

Wow what a wonderful first meeting we had. We had a great turnout. Thank you to all that came. We are so excited for the year ahead and grateful that all the ideas were well received. Thank you to all the members that stood up and filled our vacancies in our committees. Thank you to our board for doing our first demo/class. It was a great time and I loved all the discussion and learning that happened.

Thank you to all the members that came to help with the stockings. It was a well oiled machine. Everyone did their part and we got a lot done in a short amount of time. We also had a few new members join that day.

Don't forget this month is the love that binds. You can bring your favorite treat, sweet or salty, whatever you would like to share and we will enjoy each other's company and learn about binding. Looking forward to spending more time with all of you.

We will be sending our consent agenda out and the budget. We will more than likely have it to you sometime the week before the meeting. Please review it and if you have questions please feel free to reach out to Charlene or I prior to the meeting. We will of course answer any questions there but would like to take as little time as possible if we can so we can enjoy each other's company, learn and share our talents.

Thank you all in advance and see you soon!

Kim Perkins

It is time to renew your guild membership for 2023. Our membership dues for this year are \$20. Please pay your dues at our January or February meeting. If your dues are not paid by the end of February you will be removed from the roster and the private Facebook page.

Quilt Guild News

CHILD ADVOCACY NEWS:

18 Quilt were delivered to One Place Child Advocacy Center from the January guild meeting. CPQNG is off to a great start for this year. Teamwork and fellowship abounded with the donations of quilts from Guild members, Sew Sisters of Enon Baptist Church, and quilts from New Bern Sewing on the River. Thank you one and all.

Reminder: Sue Miller is point of contact for batting and label needs. Text or call at 910-389-0862. Sue is available for new members who need help getting started with Child Advocacy kits or help with finishing quilts.

ELDER CHEER STOCKINGS

A huge thank you to all who came to the sew day, donated fabric, or cut out stockings. The final total of stockings was 236.

Our contact person from DSS called to let us know where the stockings went last year. They gave out all 225 stockings we sent and added 75 baskets for the following facilities: Carolina River, The Women's shelter, the Lighthouse, the Ark, The Heritage and a group home named The Pearl.

Great Job CPQNG!
