

## **Whistle Blowing Policy**

Whistle blowing is raising a concern about malpractice or misconduct including alleged dishonesty or illegal activities within an organisation.

We are, as an organisation, committed to delivering a high quality nursery care, promoting organisational accountability trust and maintaining public confidence.

This policy provides individuals in the workplace with protection from victimisation or punishment where they raise a genuine concern about misconduct or malpractice within the organisation. The policy is underpinned by the Public Interest Disclosure Act 1998, which encourages people to raise concerns about misconduct or malpractice in the workplace, in order to promote good governance and accountability in the public interest.

The Act covers behavior, which amounts to:

- A criminal offence
- Failure to comply with any legal obligation
- A miscarriage of justice
- Danger to health and safety of an individual and/or environment
- Deliberate concealment of information about any of the above.

It is not intended that this policy be a substitute for, or an alternative to the formal Grievance Procedure, but is designed to nurture a culture of openness and transparency within the organisation, which makes it safe and acceptable for employees and volunteers to raise, in good faith, a concern they may have about misconduct or malpractice.

An employee or volunteer who, acting in good faith, wishes to raise such a concern should normally report the matter to the Nursery Manager / Deputy who will advise the employee or volunteer of the action that will be taken in response to the concerns expressed. Concerns should be investigated and resolved as quickly as possible.

If an employee or volunteer feels the matter cannot be discussed with the Nursery Manager / Deputy, they should contact the Nursery Providers. Further to this OFSTED's 'whistle blowing hotline' is 0300123 3155 (Monday to Friday 8am - 6pm) or can be emailed at: [whistleblowing@ofsted.gov.uk](mailto:whistleblowing@ofsted.gov.uk) or write to: WBHL, Ofsted, Piccadilly Gate, Store Street, Manchester, M1 2WD for advice on what steps to follow please see the Ofsted website.

A disclosure can be made in good faith to the Nursery Manager / Deputy or Providers which will be dealt with within the upmost professional manner. Confidentiality will be maintained wherever possible and the employee or volunteer will not suffer any personal detriment as a result of raising any genuine concern about misconduct or malpractice within the organisation.
