Volume I

From the desk of Mrs. Black:

Dear Parents, Guardians and Elementary Students:

Welcome back to school! We hope you have had a fun-filled summer with your family. Our Swedeborg Team has worked throughout the summer to prepare for another exceptional educational experience for each child. As the school year approached, our teachers returned to the building to work their magic and create engaging learning environments. We look forward to another school year full of learning and adventure!

We are excited to welcome some new team members: Mrs. Bev Watson to our Special Education department, Mr. Brett Alexander as our new basketball coach, and Mrs. Carolyn Ogle to our Art department.

We are ecstatic to announce that hot breakfast and lunches will be free this school year for everyone.

The school strives to ensure there is adequate communication during every school year. There are several different avenues the school will use to communicate with you. *District's website (swedeborgpanthers.com), Teacherease, Remind texts, newsletters, staff email, Thursday folders, and the good old fashion marquee...=).

As always, our staff is here for any questions or concerns. Please contact the office with any questions or to set up a conference time. We are so glad to have each of you as part of our school.

Mrs. Black
