The FEAC is voting on demolition of the AT&T building. A contractor has been hired to demolish the building. Summer passed around a picture of the building to all Commissioners present. Larry made a motion to approve the demolition and Wayne second the motion. All Commissioners present approved the demolition.

Lynne LaCour said that the City Council has it on the agenda to approve the FEAC. Wayne is might not be able to be there to be sworn in on March 5. All are to be there at 5pm. If Wayne is unable to be there, it was asked if maybe have someone come to the Pride Center to swear in everyone. Everyone being sworn in at City Council can park in the police parking lot. There are also meters on Broad Street. Lynne will try to get parking spaces for the Commissioners.

Lynn gave the city budget to Commissioner Marshall. City Council is asking if FEAC has any capital improvements.
