NAKAMA 1 is a complete, flexible introductory program designed to present the fundamentals of the Japanese language to users. The NAKAMA 1 program focuses on proficiency-based language learning, emphasizes practical communication and student interaction, and fosters the development of all four language skills and cultural awareness. Thematically organized chapters focus on high-frequency

communicative situations and introduce students to the Japanese language and its three writing systems: hiragana, katakana, and kanji. Maintaining the program's balanced approach, the new edition features updated technology resources, updated culture, and contemporary vocabulary to enhance both teaching and learning.

She has taught all levels of Japanese for over twenty-five years, and has worked on curriculum development and teacher training in five major institutions in the US, Australia, and Japan. She is known nationwide as one of the premier Japanese methodologists in the US and Japan. She is currently a professor of Japanese pedagogy at Hiroshima University. He is recognized internationally for his work in software development for the Japanese language and distributes most of his work as freeware over the Internet. In , the Japanese government honored Dr. Seiichi Makino with a decoration: The Order of the Sacred Treasure, Gold Rays with Neck Ribbon, for his outstanding contributions in the mutual academic exchanges between Japan and the United States and the development of Japanese language education.

It is very user-friendly and informative. I like [that] it teaches some communicative strategies. It offers more than what I expected [from] a Japanese textbook. Most of the activities are fun and creative, and can be adapted to our class needs. This is the strongest aspect of the text and the reason we use it in our university. Convert currency.
