

A fun new event is being planned for the 2022 season to benefit the softball league.

“Putt Around the Park” is a putt putt golf course with the holes scattered throughout Bonita Terra. An entry fee will be required and cash prizes will be awarded.

Now the catch - we need all you creative people with time on your hands and miscellaneous materials laying around to design and build putt putt holes. Google DIY putt putt holes or look on Pinterest for ideas to get your creative juices flowing! They can be as simple or elaborate as you wish.

Please contact Dee Metzger by calling or texting 330-204-1360 if you are willing to participate. She will need your name, phone number, and Bonita Terra address.
