Jimi the JOINT

NO.3

The adventure continues!!!

A WORD

Well, that took longer than I wanted it to. I started this issue in December of 2016 in Massachusetts and finally finished it in October 2017 in Northern California. Moving my family cross country totally F'd my shit up. But I got it done. Hopefully I can knock more of these out more regularly from now on. No promises. I'm having a lot of fun with these characters and I've just scratched the surface of the journey that Jimi the Joint is starting.

Please send any feedback, encouragement, hate mail, tweets, reviews (positive or negative) my way and maybe I'll put it in a future issue.

JRHcouchcomics@gmail.com or you can tweet at me @couchcomics.

Thanks for reading.

Till next time.
