All welcome

Treasurer: Norma Hardy

### Report from the chair:

I think Spring now is truly here. We have had our fair share of rain recently and I hope this gives rise to a good harvest- we probably need some sun now. Speaking of the elements we were lucky to have some good weather for our town garage sale and I hope everyone did well.

I think we all know of and appreciate the work done by the Progress Association for the community. **I would however like to acknowledge the work carried out by Mr Gary Pearce who does a lot of our mowing around the town.**

Forthcoming events before the end of the year are the **Town Birthday** and **Christmas Party**. The Christmas Party is always a lot of fun and I hope as many people as possible come along to enjoy the festivities before the holidays. I'm still getting used to Christmas/New Year in 35-40 degrees and a trip to the beach, but it does definitely have its advantages.

Walking is a very effective exercise for those of us who feel we are up to it. We have a wonderful facility in the town in the form of the Pepper Tree Trail. There is now seating along the trail such that we can have a breather if we wish. I love taking Murray for a walk along the trail every morning and breathing in the fresh air (recently together with the smell of Wattle) and looking at the breathtaking views on our door step. So please get out there if you can - the more you do the better you feel.

*[ And please remember to pick up after your dogs – Editor]*

We are always looking for new members to help us in our work and new and fresh input is most welcome.. Why not come along as a visitor to get a taste of what we're all about and community contributions at the end of our meetings are especially appreciated.

- Graham Bales

## Yacka Golf Club.

The season concluded with the presentation dinner at the clubrooms, deliciously catered for by the Koolunga Tennis Club.

President Dave Thomas thanked all who volunteer at the club and then surprised Pat Osman with life membership in recognition of her long service as a player and treasurer.

The Club Champion trophy 2022 was presented to Zach Fielding, runner up Chris Clarke.

B grade was won by Adam Scott, coming second Les Yeats. Eric Clarke won the C grade, runner up was Meg Weckert.

Life member Fred Whitehorn presented his family's trophy "the Yacka Golfer of the Year" for consistency during the season, to Barry Goss. Barry also won the President's trophy and the Captain's trophy.

The club where "no one does everything but everyone does something" celebrated another successful year in fine style and looks forward to seeing you on the course in 2023!

- Judy Goss.

Hello, I'm Denni Agnew.

For the past 4 years, I have been your local Councillor in the North Ward of Wakefield Regional Council. I am standing for re-election and would love to continue to represent you. I live in Blyth with my husband Mick and 4 month old son Jed.

If re-elected for a second term, I will continue to work hard and ensure the needs of our communities are met while balancing long term financial sustainability. I am community minded. I keep you informed, accurately advocate on your behalf and follow up on requests. I work collaboratively with council staff and other elected members to apply rate payer funds appropriately.

Key projects I have supported are;

- Blyth Sporting Precinct Master Plan
- Childcare in Snowtown
- Brinkworth pool and community bus,
- Lochiel tourism precinct
- Accelerated roadworks program
- Community grants and business incentives.

I look forward to improving waste and recycling initiatives, youth programs and implementing infrastructure management plans. Professionally I have had a varied career, working in construction, agriculture, tourism and natural resource management. No matter my job, the community has always been at the centre. When I'm not working or in meetings, you will find me in the garden tending to my veggie patch or in the kitchen whipping up something tasty.

I'm passionate about livable communities, youth, the environment and financial sustainability.

If you would like to chat about local issues, please get in touch. Or **come and chat at the Junction Hotel, Wednesday 12 October 6-8pm.**

## From a reader: Medicare Part G

You are an older senior citizen and you can no longer take care of yourself and need Long Term Care, but the government says there is no Nursing Home care available for you, what do you do?

You may opt for Medicare Part G.

The plan gives anyone 75 or older a gun (Part G for gun) and one bullet. You may then shoot one worthless politician. This means you will be sent to prison for the rest of your life where you will receive three meals a day, a roof over your head, central heating and air conditioning, cable TV, a library, and all the health care you need. Need new teeth? No problem. Need glasses? That's great. Need a hearing aid, new hip, knees, kidney, lungs, sex change, or heart? They are all covered! As an added bonus, your kids can come and visit you at least as often as they do now!

And, who is paying for all of this? The same government that just told you they can't afford for you to go into a nursing home. And you will get rid of a useless politician while you are at it. And now, because you are a prisoner, you don't have to pay taxes.

Is this a great country or what?

Now that you have solved your senior Long-Term Care problem, enjoy the rest of the week!

(\$20/\$10, book tickets at [countryarts.org.au](http://countryarts.org.au) or phone 08 7078 6173). There are a number of **workshops** leading up to the performance. If you would like be involved, call 8846 2243 or contact Nancy through the Brinky Linkup. Brought to you by Junkyard Beats, presented by Country Arts S.A. and Brinkworth Soldiers' Memorial Hall.

**Brinkworth Art Exhibition, December 9-13.** Opening night (food, drink, speaker, \$10), other days' entry by gold coin donation. Most works available for purchase. Digital Art Competition (free entry, open to all, entry details in November). This event has been long postponed and we will be looking forward to all artists and craft people contributing!

*The Brinkworth Soldiers' Memorial Hall Committee next meets on Monday 17 October at 7:30pm at the Hall.* We wish to thank the various users of the Hall for their patience and understanding in recent times as we battle with issues of maintenance and burn out. If you are interested in the above events, wish to use the facilities, or want to get involved in running the hall, please call 8846 2243.

### Special Projects Group

**Town and Country Garden Competition, Early November.** Keep your eye open for entry details. This competition is for all the gardeners in our town. The identity of our guest judge is, at this stage, still a mystery. If you are proud of your garden, or just love it, you should consider entering!

**Clare Lions Christmas Pageant, December 9, Clare.** We are presently planning for this event, hoping to make Brinkworthians proud with a float to remember.

Our Chairperson and her Deputy recently attended *Clare Rotary Club* as invited speakers, discussing issues of mutual interest between our organisations. We would again like to thank Clare Rotary for supporting us in our previous endeavours!

Our *Winter Wood Raffle* was finally drawn on 3 September (!) at the Junction Hotel. Winners were Kath (Redhill) and Mark (Brinkworth). Nearly two tonnes of wood was delivered. Monies raised will go towards funding future projects. Thankyou to those who offered, gathered, cut and delivered the wood, and especially to all who supported us by selling tickets and those who bought them.

*The Special Projects Group next meets on Wednesday 19 October at 7:30pm at the Junction Hotel.* New ideas are welcome!

### Brinkworth Management Committee

The BMC is the incorporated 'umbrella' for several active volunteer groups in the town. We continue to seek the services of a new treasurer, a vitally important behind-the-scenes role in the work of helping our town to flourish. Please call 8846 2243 if you or someone you know might be willing to help out in this way.

We believe our *community bus* remains waiting for a berth to Australia. When we know more, you will!

*The BMC next meets on Monday, 10 October, at 7:30pm at the Hall.*

## It was a fun day at the Brinkworth Bowling Club Open Day on September 25th.

The rain held off and lots of people playing bowls and getting advice on how to play and enjoying the BBQ.

All welcome to come along every Thursday at 5pm for practice and social drinks.

LEST WE

## Vale Margaret Waldhuter

The funeral service for Margaret Waldhuter, formerly Andrewartha, nee Whitehorn was recently held in Adelaide. Margaret passed away at the age of 96.

She was born in 1926 to times very different from today. After completing primary school at Koolunga, Margaret repeated year 7 in order to be old enough to leave school, education at a higher level was unavailable.... It was war time and with her father and brothers serving the country, she and her mother ran the farm, including seeding, on their own.

She married Reg Andrewartha and four children were born : Graham, Wendy, Dianne and Robyn. They ran their business at Brinkworth (Anne Green's current property) and later took on the Bungaree bus run. When this run ended, they took on the Secondary run to Blyth, picking up students going to Clare High, taking them to Blyth to connect and then returning to bring primary students back to Brinkworth. This was then quite a long route on outlying dirt roads. At that time, even the direct road link through Hart to Blyth was unsealed. Many people now in their late 30s and older will remember Mrs Andy driving the yellow bus. She would often have young grand children with her as she babysat them.....There was a car seat that would be strapped to the seat next to her at the front of the bus so that the youngest could travel safely!

Margaret cared for Reg for many years and after his passing, she was still busy with family and was involved with many community activities. She had 50 years of service to Mothers and Babies (CAFHS) and Red Cross. She was a tower of strength in the Uniting church which also included running Sunday School and Youth Group. An avid sewer she made many garments for her family but also as fund raisers for the church. She made wedding and bridesmaid dresses for many.

Margaret re-married to Reg Waldhuter and after a time living in Blyth they retired to Adelaide. Here Margaret was once again very involved in her local community for many years, until Reg passed and her age caught up with her!

Margaret leaves behind her a wonderful family. The celebration of her life service was conducted by Jan Trengove. Jan told of Margaret's commitment and faith to her God. Many who attended re-lived many memories with her family and Margaret would have been very proud to see them happily re-kindling past friendships in her honour.

Rest in peace, Margaret.

-Judy Goss

## Some Garage Sale Day comments

- "Lovely to wander around town and catch up with locals but definitely quieter than previous years." Helen Tate (wanderer)
- "It was a beautiful day for it. Gorgeous weather, was good to see some locals" Lisa Pearce (visitor)
- "There were a lot less people around than other years, and I guess other events like the Royal Show first in three years and other events etc will make a difference, but by the sounds of it people that were selling managed to get rid of stuff so at least the people that came bought. Thanks to all the girls that baked for CWA - cakes walked out the door. How lucky were we all with the weather " Norma Hardy (seller)
- "My day was great. " Jeanette Bones (seller)
- "I had a great day. Quieter than other years as far as customers went but everyone who came was happy and friendly. Sunshine and no wind was lovely" Jaymi Milic (seller)

It was also suggested that some people had put out things they didn't sell last year, which was a bit of a turn-off.

Imogen Wundke (left) sold lots of lemons and eggs to Nancy White and others

Dan McLeod and Stephanie Hobby had a stall on E. Terrace
