If you are one who has attended our two recent in-person events, thank you for joining us. It was a delight to be together again and even welcome a few new faces! If you missed out on those gatherings, there is another coming up Saturday, July 17th. As we iron out the details we'll share them in the Friday reminders. We are trying to get us face-to-face more and more.

We are doing research on finding a location to begin in-person services in the near future. Together with establishing safe practicalities regarding our world opening up again, we are discussing how to create a hybrid model of in-person AND virtual access to our Sunday services and gatherings. We want to be responsive to desires to connect in-person and respectful to those who are still feeling cautious about doing so.

Of course, you know that we are in process with a senior minister candidate, Rev. John Odden. Please join us virtually when he speaks on July 11th. Plans are underway for a busy August weekend with Rev. John when he will join us here in St George to meet with CSLSG leadership and YOU!! Stay tuned for more details as the plan unfolds.

Our vision is to walk into a renewed community where we find deep connection, more than a little fun and transformative inspiration; one that blends the best of our traditions with new and exciting elements. Does this fit with *your* hope and vision for Center for Spiritual Living St George? We would love to hear from any and all of you. Feel free to email your comments and suggestions to our [email address](#).

Bless us all as our individual and collective vision pulls us into an ever-expanding, open-at-the-top community that will warm our hearts and connect us in integrity, compassion, empathy and values. Let's walk together into this world that serves us

This Week's Meditation Guide

Mary Klein, RScP

This Week's Speaker

We Hold These Truths

Anita Schoeff, RScP

We use the Declaration of Principles and Core Concepts which are the truths held in Science of Mind. Let us look to explain how they support the Global Vision, the vision that is pulling us forward.

July's Upcoming Speakers

Sunday, July 11th Is Our Commitment Greater Than Our Resistance?

Rev. John Odden

This is an opportunity to re-evaluate our commitment to the Vision revealed to us earlier in the year. Where and how are we resisting the transformation? Are we willing to release it? We are invited to revisit our "why." What are we willing to recommit to in order to advance in

the direction of our Vision? We examine this from a personal perspective as well as an organizational perspective.

Rev. John Odden is a candidate for CSLSG Senior Minister. He comes from InSpirit CSL in Orange County, California.

Sunday, July 18th
Free Your Mind and the
Rest Will Follow
Joe Kovach, RScP

Seek first the Kin-dom (kinship, communion) of God and all things shall be added unto you. Stage 2 (by us) is an important part of our spiritual evolution, and it has its limitations. When we free our mind of our "By-us bias," we move into stage 3 of spiritual development "through us." So much

more awaits us when we surrender and allow.

Sunday, July 25th
Stayed!

Rev. Elisha Christopher

"I woke up this morning with my mind stayed on Spirit!" Keeping our attention focused throughout the day and throughout our lives on our relationship with and as God transforms our experiences because our perspectives and perceptions of life are filtered through the lens of Truth, Love, and Oneness. It gives us the resilience and perseverance to meet whatever may come our way.
