

LEARN THE ART OF HEALING,
THE NATURAL WAY!

The mission of the Institute of Natural Healing is to raise our consciousness, to awaken our intuition, and live a more meaningful life and existence.

The Institute of Natural Healing empowers the human spirit, through self-discovery, personal transformation, healing.

The **Art of Healing® Training** is a collection of metaphysical and spiritual healing methods and techniques, which include a variety of practical tools. This training helps to make the invisible world useful and understandable. Your own psychic abilities will be more awakened and activated, and you will find your own sense of spiritual direction.

You will learn the **principles, methods, and techniques** of many **metaphysical modalities**. Apply what you learn immediately, whether you use these techniques for yourself, or to help others.
