

Sneaky Universe Newsletter – June 2022

What's new at Sneaky Universe?

This month you will start to see more language other than English editions of Did You Hear That? and Different is OK. You will also find the newest Sneaky Puss title – Sneaky Puss Goes to the Farm, where Sneaky Puss gets up to all sorts of shenanigans with a range of animals including goats, sheep and pigs, among lots of others. He can find fun everywhere! Just like the first two books in the series, Sneaky Puss Goes to the Farm will be available not just in English, but also in German, French, Spanish, Portuguese, Italian and Arabic, perfect for language learners everywhere!
