SEEKING BURGLARY/ THEFT SUSPECTS

The Monroe County Sheriff's Office is looking for any information or leads with regard to a rash of boat thefts and burglaries to vessels in the Middle and Lower Keys where electronics (GPS's, tools, depth finders, etc.) have been stolen. **This is a reminder to take photos of all of your equipment and document serial numbers, make, model and any special engravings or identifiable markings on your equipment.** This is imperative for law enforcement in order to be able to return your property if recovered at a later date. Help us, help you. If you have video surveillance equipment, please make sure it is in working order and turned on.

A reminder:

Be alert! If you see someone acting suspiciously in your neighborhood, call the Sheriff's Office immediately. If possible get description or license plate number, slip number for boats, and/or make of vehicle. Don't wait until the next day and don't try confronting the person yourself. In some of our investigations, if we had received a call right way, we may have been able to apprehend the suspect as he was perpetrating the crimes

Anyone with information on any crime could be eligible for a reward by contacting Miami-Dade and The Florida Keys Crime Stoppers at the following **(You will remain anonymous):**
