

BROTHERHOOD TRADE Brethren and Trinity Churches Exchange For Day

Race Relations Sunday will be observed here by a service exchange tomorrow.

Participating will be the Church of the Brethren and Trinity CME Church.

The Rev. E. Stanley Smith of the Church of the Brethren, the church choir and some members of the congregation will take part in 11 a.m. services in Trinity CME Church.

At the same time, the Rev. B. J. Boyd, the Trinity CME choir and members of the church will participate in services at the Church of the Brethren.

The program was worked out by the two clergymen.

The Rev. Mr. Smith said he hopes the observance will result in the creation of genuine and lasting friendships and be more than a token gesture of brotherhood.
