2. Dancers must arrive 5-10 minutes before their scheduled class. Please remain outside, 6 feet apart, or remain in your vehicle until your scheduled program.
3. A staff member will let the dancers into the building at their scheduled time. (Our lobby is closed until further notice)
4. EACH DAY, parents must conduct their own health assessment of their dancer prior to arriving at STUDIO A via link above.
5. Each work da, each staff member will also complete a Daily COVID-19 Screening Form.
6. Dancers need to arrive dressed for class. There will be no changing allowed in the bathrooms.
7. Bathrooms will remain locked and are to be used for emergency use only. If needed, dancers must ask a staff member for the bathroom key.
8. Everyone must wear face masks while entering and exiting the lobby/studio. Face masks are optional for students during class, as long as they are able to practice social distancing.
9. Dancers are required to sanitize their hands upon entering the building. There is a sanitizing station set up in the lobby as well as in all three dance studios, and both bathrooms.
10. Upon entering the classroom, dancers will be directed to put their bags and belongings in their cubby and go stand on their designated social distancing spot.

11. 60 min dance classes will now run for 45 minutes to allow time to sanitize between classes.
12. Dancers who have a break between classes must exit the building or stand in a social distancing spot in the Main Lobby with their mask on.
13. The lost and found has been removed. Anything left at the studio at the end of the night will be thrown away.
14. Once class ends, students will sanitize hands and be released to parents at the front door. Parents should wait outside and practice social distancing. Please greet your child at the front door. We will not release a student to a car for safety reasons.

**Thank you all for your help in keeping our staff and students safe and healthy!**
