Last Week's Run Report

Run 693 – Beasley Park Leeming

Hare: Whoreda

The Big C (in more ways than one !)

Well you had to *big C* as the trail was, yet again, marked in teeny-weeny sixes ! The Hare, Whoreda, aided and abetted by none other than Doggy-Do, gave directions as we swooped off in the direction of bushland/roads/streets/walkways/back alleys/traffic.....on and on it went...never ending and just about every type of false trail ! Eventful run After what felt like 3 days, we got to see the runners fumbling about to find trail which eventually they did and so it continueda truly interesting run.

There were a few vague moments, (or was that just me ... ? If only I knew where I was ...?) then as if by magic, a street lamp with a gaggle of Hashers congregated around it, indicated the drink stop....OH AND WHAT A SPLENDID STOP it truly was the BIC C !!! A very high bar was raised this night for quality drink stops, some would say that this was the best ever but lets not get carried away no...lets !

Well, all good things have to come to an end and so did this ... Back at the start with the circle about to be convened, we were aware that someone was missing and, of course, in good Hashing custom we were less than concerned as this is normal ... but ... well ... um ... a massive search party was arranged (for Friday week ...) and then, out of the gloom the errant Hasher appeared to a jolly cheering crowd ! Not sure what his excuse was ...! Moving on to the circle, a high score was awarded to the Hare, a few *quaint* charges were inflicted and some jokes and true stories shared.

The night ended (a bit late,I might add...) with a splendid repast and camaraderie ... (a type of cheese ...)

So good great fun ...
