2022 5- Week SUMMER CLASSES

Competitive Troupe Team is a dance team that was developed for dancers who desire to perform more often and take their dance to the next level. Please contact the Studio for more information on our Competitive Troupe Teams. Our 2022- 2023 Auditions will be held on Friday, April 29.

Combination Class meets for 60 minutes per week for 5-weeks. This class is for ages 3 years old through adult. Combination Classes for students ages 3 to 6 years old will consist of 30 minutes of Tap and 30 minutes of Ballet or 30 minutes of Jazz, Pom-Pon and 30 minutes of Hip-Hop; ages 7 and above, 30 minutes of Hip-Hop and 30 minutes of Jazz, Contemporary, and/or Lyrical. This class is perfect for the beginner to advanced dancer. Classes are split by age and skill level.

Fairy Tale Dance Class will be offered in 5-week segments and meets for 40 minutes each week. This is a pre-ballet class for students that are preschool age (3 to 5 years old). During the initial week a fairy tale story is read to them, and students will learn Pre-Ballet dance movements with music pertaining to the story. Then students put on costumes over their leotard/tights and then perform their routine. This class is an excellent dance class for beginning little dancers. It is a fun and rewarding experience for the children to dress up and perform! The Fairy Tale costumes are provided for each student at each performance.

Ballet I, II and III. Classical Ballet is fundamental for all dance classes. Ballet provides the basis for all forms of dance and should be taken first, or concurrently, with Tap or Jazz classes. Ballet teaches proper technique, posture and terminology. Students are grouped together by skill level and experience. Classes labeled Ballet incorporate technical skills and performance skills.

Boys Hip-Hop Dance is a structured form of street dance designed to teach coordination, strength, quickness, agility, and endurance. Some tricks may be added. This class is for ages 5 to adult. This is a Recital Class.

Gymnastics ACRO for Dance meets for 45 minutes each week. This class develops courage, strength, stamina, coordination, flexibility, and jumping abilities. Gymnastics ACRO for Dance unites power and poise with grace and beauty, to create an intriguing Dance. This class is for ages 3 and up.

Technique Leaps, Turns & Flex is geared to build the dancer's flexibility and skills, such as turns, leaps, and jumps, while perfecting skills and building their core, arms, shoulders, and legs. This is a must class for dancers that want to advance to the next level in dance, or for those dancers with the goal of making one of our Competitive Troupe Teams and/or their high school dance team. This class is offered per semester and meets for 40 minutes each week.

Conditioning provides a regimen of exercise for the development of a dancer's endurance, strength, flexibility and coordination.
