

# POPES

The word "Pope" means "father", "Bishop" or "Patriarch" in Greek. In Latin "father" means: padre, paternal, patron, patriarch, patriot, papa, and papacy. The word "bishop" originates from a word describing those that supervised the revenue of pagan temples, and the land was full of them. It indeed was back then, and is still considered today one of, if not THE largest business on earth. The Roman Catholic church claims their Pope to be the "Vicar of Christ" on earth.

Arrogant men of ancient times set themselves up as "keepers" or "lords" over God's people, in place of the Holy Spirit. The spiritual guidance these leaders were supposed to use to win over the people, was substituted by their own conceited methods and customs. They decided to lead by their own means and become above the people. Paul even talked about this "mystery of iniquity", or "falling away" in the Renewed Testament. (2Ths. 2:3/7, 1Tim. 4:2). The Popes are perfect examples of what arrogance and control can do if we are foolish enough to trust in mankind (Jer. 17:5).

The Roman Catholic church is founded on the idea that Peter was the first Pope of Rome. Their great Basilica, built by the pagan Constantine, was said to have been built over Peters grave. They claim Peter was the Pope for 25 years from 42 AD to 67 AD. These dates create problems because we know Peter was at the Jerusalem council about 44AD. as described in Acts 15. Paul joined Peter in about 53AD. in Antioch (Gal 2:11). In about 58AD. Paul wrote his letter to the Believers of Rome and greetings to 27 people there.

If Paul was writing a letter to Rome and Peter was Pope you can be sure Paul would have sent greetings to his beloved brother, the Pope. The church took Peter, glorified him beyond imagination, and founded a religion based on him, even though it was clear that Peter never even visited the heathen city of Rome.

In the scriptures Peter himself said that Yeshua was the foundation and rock of the church (Eph. 5:23, 1Pet. 2:4-8, 1Cor 3:11, Matt. 18:1). When Yeshua told Peter that He would be the rock upon which the church would be built upon, He was speaking symbolically. The Romish church somehow made this literal. Let's take a closer look at this **Matt. 16:16-18** Yeshua had just finished asking Peter who He (Yeshua), was, and Peter replied: *"Thou are the Messiah, the Son of the living YHVH. Then Yeshua said to Peter: "And I say also unto thee, that thou art Peter (Petros, meaning a little pebble or moveable stone), and upon this rock (Petra, a huge boulder or bedrock), I will build my church; and the gates of hell shall not prevail against it".* Yeshua used a play on words here. He was in essence saying: "Peter you are a stone, but it is upon this bedrock foundation I will build my church". There's no way Yeshua could have called Peter the rock, that would contradict His own words as per **1Cor 3:11 "For no one can lay any foundation other than the one already laid, which is Yeshua the Messiah."** Also in **Ps. 18:31 "For who is YHVH save Adonai? or who is a rock save our Yahveh?"** The true church was founded upon Yeshua, He is "the rock of our salvation," like the song say's.

To see what Peter really thought of Rome, look closely at **1Pet. 5:13 "She who is in Babylon, chosen together with you, sends you greetings, and [so does] my son, Mark."** **Babylon was a euphemism of the Jews, meaning Rome.**

## THE LIES OF THE ROMAN WHORE

The Roman church claims celibacy for its Popes and yet Peter was married. **Matt. 8:14 "And when Yeshua had come to Peter's home, He saw his mother-in-law lying sick in bed with a fever."**

The Roman church invites people to bow down before the Pope, and yet Peter despised the very idea. **Acts 10:25-26 "And when it came about that Peter entered, Cornelius met him, and fell at his feet and worshipped {him.} But Peter raised him up, saying, "Stand up; I too am {just} a man."**

The Roman church is full of tradition, and yet Peter wanted no part of foolish traditions. **1Pet. 1:18 "knowing that you were not redeemed with perishable things like silver or gold from your futile way of life inherited from your forefathers,"**

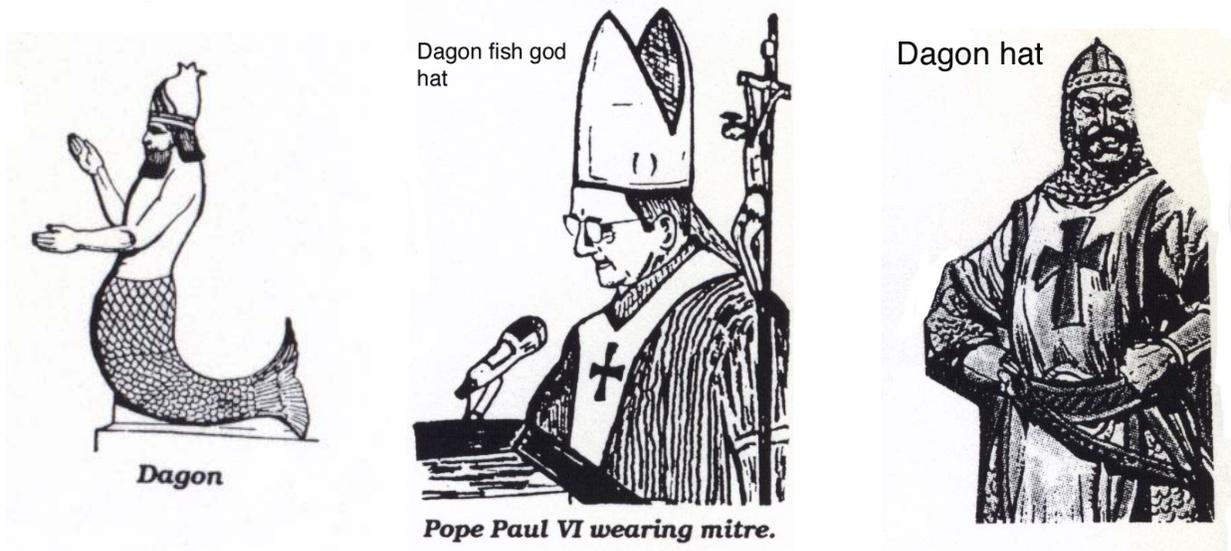

The Pope of the Roman whore often wears a crown of sorts, Peter never wore a crown; in fact Peter knew that the Believers would only receive a crown as proof of their belief at the second coming. **1Pet. 5:4 "And when the Chief Shepherd appears, you will receive the unfading crown of glory."**

The Roman church portrays Peter as the great apostle and leader of his time, yet he was responsible for writing only 8 chapters and 136 verses in our Bible, as compared to Paul's 100 chapters and 2,325 verses.

Roman Emperors held the office of Pontifex Maximus until 378 when Demasus, the pagan high priest, Bishop of Rome, took it over. He was considered the head of the Roman church, Pontifex Maximus. The Supreme Pontiff of the Chaldeans paganism bore the title of "Peter" because this title was given to the one who could interpret the great mysteries of the heathen gods. This title was carried over with the other pagan names, rituals and symbols, producing what was soon to be known as the Roman Catholic church, under the head of Ponifex Maximus, the Pope. The word "pontiff" comes from the Greek word "pons", which means "bridge" and "facio", which means "make", thus we get "bridge maker".

The Pontiffs of ancient Rome were considered to be the bridge makers between this life and next. Even today the name Pontifex Maximus can be found above the entry of St. Peters, above the statue of Peter, in the dome, and over the Holy Year Door, which is opened only during a jubilee year.

Another idea that the Roman Catholic church took out of context was that of St. Peter being the gate-keeper of heaven. They promote the idea that Peter held the keys to get into heaven, thus we often hear of jokes about St. Peter at the gates of heaven. In **Matt. 16:19** *Yeshua says to Peter "I will give you the keys of the kingdom of heaven;"* They took a symbolic idea and made it literal, to use in their pagan doctrine.

***Dagon in Mesopotamian sculpture.***

At the same time the heathen name Pontifex was adopted by the church, the name "Ichthys", or "the Fish," or the fish god, "Dagon" was being used to describe our Savior, the Son of YHVH. The names were being intermingled and associated with each other. The Pope and other priests, continue to give reverence to the fish god by their continued wearing of the famous "fish god of Dagon's hat," direct evidence that paganism is still alive and well in the church. This strange looking hat (mitre), the priests continue to wear for celebrations, must make even the most liberal Catholics frown when they try to figure out what it is supposed to represent. The pagans of old understood exactly what this strange symbol was, because they often bowed down to worship it; as the god of Dagon. Roman Catholics have for centuries eaten fish on Fridays because it represents the high day for Dagon worship.

The branch of the pagan Romans known as the Mithraism had given its head priest the name "Pater Patrum", which meant "Father of Fathers". These names which all seem to point to the name "Pope," or "Papa," come together too easily to be denied. The Roman Catholic church had managed to carry over the highest name of the heathen priests into a thing called Christianity smoothly, and without even being noticed.

Throughout the ages Popes have been known for their sexual perversion, extortion, and manipulation practices on the people they were supposed to represent. The following are some sick examples of the traits of Popes of the past:

Pope Sergius 3rd. (904-911) got his position by murder. His reign began the period known as "the rule of harlots" (904-963). His concubine mother was said to be a duplicate of Semiramis. His seven year reign was recalled as some of the worst days of the ancient empire. Pope John 11th. was crowned Pope when he was 12 years old. This illegitimate son (bastard), was the result of an affair of Pope Sergius and a prostitute named Mariosa.

Pope John 12th. of 955 was accused of sacrilege, simony, perjury, murder, adultery and incest by his synod.

Pope Boniface 7th. (984-985) stole money and moved it around through a tight network of underground accomplices. He was called a "monster of guilt, reeking in blood and filth," and as "anti-Christ sitting in the temple of God.

Pope John 15th. (985-996) split the churches finances among his relatives and was called corrupt in his acts.

Pope Innocent 3rd. (1198-1216) was the ultimate sub-human. He was the instigator of the Inquisition which was responsible for the deaths of millions of people.

Pope Boniface 8th. (1294-1303) committed every crime imaginable, from infidelity, heresy, simony, gross immorality, idolatry, magic, and the death of Celestine 5th. Boniface was known for his sickening phraseology as follows: "to enjoy oneself and to lie carnally with women or with boys is no more a sin than rubbing ones hands together". He was also reported to have called Messiah a "hypocrite" while professing to be himself an "atheist". Later Pope Boniface made the following recorded statement "The Roman Pontiff (Pope), judges all men, but is judged by no one. We declare, assert, define and pronounce: to be subject to the Roman Pontiff is to every human creature altogether necessary for salvation. That which was spoken of Messiah, thou hast subdued all things under his feet, may well seem verified in me. I have the authority of the king of kings. I am all in all and above all, so that God Himself and I, the Vicar of God, have but one consistory, and I am able to do almost all that God can do. What therefore can you make of me but God!"

Pope John 23rd. (1410-1415) was charged by his council with 54 kinds of crimes of the worst imaginable. He was proven to have seduced and violated over 300 Nuns while involved in sodomy, incest, simony, theft and murder.

Pope Pius 2nd. (1458-1464) was the father of many illegitimate children. He bragged about the proper way to seduce women and encouraged young men to do so.

Pope Sixtus 4th. (1471-1484) financed his wars by selling the church office positions to the highest bidders. Eight of his relatives were made Cardinals.

Pope Innocent 8th. (1484-1492) was the father of 16 children of various women.

Pope Alexander 6th. (1492-1503), lived in public incest with his two sisters and his daughter, with whom he even had a child. On Oct 31. 1501, Alexander had a banquet and sex orgy in the Vatican itself with 50 nude girls serving his guests and dancing while offering prizes to the men who could copulate with the most women.

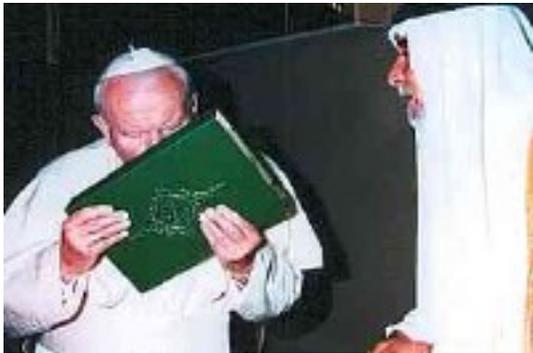

Pope Paul 3rd. (1534-1549), while still a Cardinal, fathered three sons and a daughter. He regularly sought advice from astrologers.

Pope Pius 12th. was a Mason.

There was even a female Pope that the Vatican does its best to hide information about. Pope Joan, who was called John of Mainz (855-858), was a woman who was alleged to be a man. She was later recorded by Clement 7th. (1592-1595) as Pope Zacharias so the documentation could be covered up. Her bust was found among the other carved busts in the Siena Cathedral.

Pope Eugene 4th. (1431-1447) condemned Joan of Arc to be burned alive as a witch. In 1919 Pope Benedict proclaimed this same Joan of Arc to be a "Saint". Talk about confusing.

**In this picture we see Pope John Paul kissing the Quran, what more needs to be said!**

When the young Martin Luther first came to the Papal church of Rome he found priests telling indecent jokes and even using profanity during Mass. The suppers at that time were served by 12 servants consisting of naked girls.

In 1252, Pope Innocent 4th. (a sick play on words), issued one of the worlds most inhuman documents called the "Ad exstirpanda" (Latin for a papal bull/edict) which decreed that anyone not believing in exactly what the Roman Catholic church believed in could be tortured and terminated. The decree officially launched the "Inquisition", which most of the world is familiar with. This opened the door to mass murder of the Jews even though these so-called Christians knew what

the Bible said in **Zech. 2:6-8** about the "**apple of Yahveh's eye**". The "Ad exstirpanda" was supported and reinforced by Pope Alexander 4th., Clement 4th., Nicholas 4th. Boniface 8th. and others.

During the Inquisition, at Lavour, in 1211, the then governor was hung from a gibbet (a place of public scorn), while his wife was being stoned to death after being thrown into a well. Four hundred people in his town were burned alive.

It is a known fact that the Roman Catholic Crusaders attended High Mass in the mornings and killed the people of the towns and villages during the day. In this one particular siege it was estimated that over 100,000 Albigenes were killed in one day in the name of the Christian Greek Jesus.

At a massacre of Merindol, over 500 women were burned in a barn set on fire. The women were openly raped by the soldiers and dragged through the streets naked.

In 1562 Pope Pius 4th. sent his men to massacre the people of Orange. His Italian soldiers were told to kill all the men, women and children.

In Huguenots 10,000 Protestants were massacred on St. Bartholomew's Day in 1572. The Pope was so proud of this heathen event he ordered a special coin struck in honor of it.

The Reformation that happened in the sixteenth century was because of the anti-Messiah spirit that was and is still prevalent in Satan's Roman Catholic Church. The reason being, arrogant ungodly men like Pope Pius 4th. existed in Rome. As a perfect example of the anti-Messiah spirit working within the church the following is what Pope Pius stated publicly: "**The Bible is not for the people; whoever will be saved must renounce it. It is a forbidden book. Bible societies are Satanic contrivances**". In 1198 Pope Innocent 3rd. issued a decree that "**all who read the Bible should be put to death**". The Council of Tolouse, in 1229 passed a **decree forbidding either the possession or the reading of the Bible**. Another anti-Messiah Pope, Pope Pius 7th. **denounced Bibles as "pestilence's"** in 1816. Again in 1844, Pope Gregory 16th. **condemned all Bible Societies and**

ordered all priests to tear up every Bible they could get their hands on. It was misguided anti-Christ leaders like these that caused the Reformation to take place, and in turn caused the death of millions of innocent people. It's no wonder many preachers said back then and even today, "**Rome itself is the nest of the anti-Messiah**", the **Pope is one of the anti-Messiah's**. They were correct back then and it is still true to this day.

### **POPE KISSING THE GROUND**

Whenever the pope goes to another country he is often shown kissing the ground of that country, as an act of humility. This is far from the truth. **He is in fact, claiming the land as his own, because of his so-called temporal power.**

The Bible says: ". . . and the inhabitants of the earth have been made drunk with the wine of her fornication." (Rev. 17:2)

### **OFFICIAL BUSINESS**

Even today the Catholic Institution still has a major influence over the government leaders of the world, with the Vatican having political ties with nearly every country in the world. Every world leader who gets an audience with the pope must dress in black as a sign of repentance to the pope, and must bow in the presence of the pope, and kiss his demonic ring.

### **POTENTIAL POPE DECLARES BELIEF IN THEIR JESUS IS NOT EVEN NECESSARY FOR SALVATION**

Cardinal Francis Arinze, who was considered a possible successor to Pope John Paul, denied the Messiah is the only way to heaven. In an interview the spirited 66 year old deputy for outreach to other religions was asked.

**Question:** "So was Jesus wrong when He said He was the way, the truth and the life?"

**Answer:** If a person were to push what you said a little further and say that if you're not a Christian

you're not going to heaven, we'd regard that person as a fundamentalist and theologically wrong. I met in Pakistan a Muslim. He had a wonderful concept of the Koran. We were like two twins that had known one another from birth. And I was in admiration of this man's wisdom. I think that man will go to heaven. There was a Buddhist in Kyoto, in Japan. This man, a good man, open, listening, humble, I was amazed. I listened to his words of wisdom and said to myself, "The grace of God is working in this man." The interviewer then repeated the question, "So you can still go to heaven without accepting Jesus?" "Expressly, yes (he laughs with the audience)".(Dallas Morning News, March 20/99)

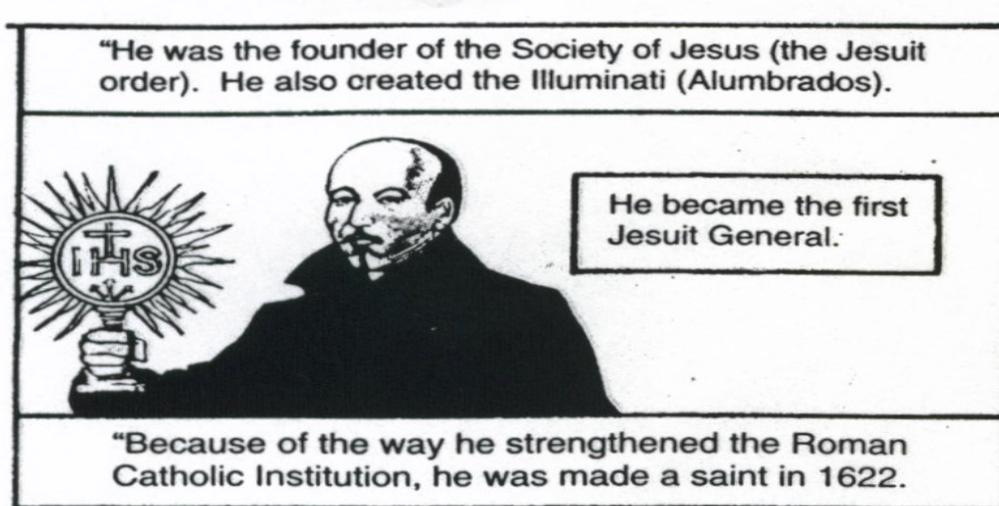

On July 7, 1998 Pope John Paul II, released a 104 page apostolic letter to all Pastors and Christians throughout the entire world to endorse and embrace Sunday as the Sabbath, and Lord's Day. The pope also states in his letter that he wants appropriate legislation to be put in place to ensure all Christians KEEP SUNDAY HOLY. "Christians will naturally strive to ensure that "civil legislation" respects their duty to keep Sunday holy." -Section 67, "Dies Domini", July 7, 1998 - emphasis added.

## BLACK POPE..JESUITS (SOCIETY OF JESUS)

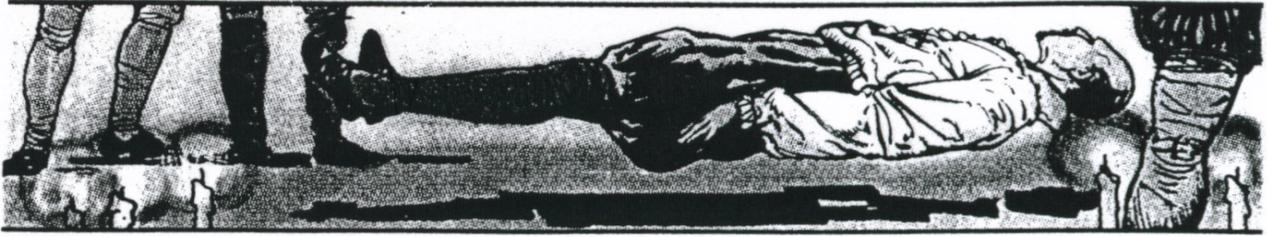

The following is a very brief introduction into the man who really runs the Roman Catholic whore. The Jesuits are the "power priests" behind the Roman Catholic church. The Jesuits are not a religious order, they are a religious occult army. The head of the Jesuit army is a general called, the "**Black Pope**". The Black Pope is the one with the real power in the Vatican. The Pope that we see and hear about on the news is nothing but a frontal puppet for the one world order and church group known as the Jesuits. Satan, in fact, guides this Black Pope.

The founder of "The society of Jesus" (the Jesuit order), in 1541 was Inigo Lopez De Recalde; later known as Ignatius of Loyola. Inigo Loyola also established the well known secret society of the "Illuminati", also known as "Alumbrados" or "Moriah". He was proclaimed a saint in 1622. Loyola was a Satanic genius who built an army of priests. These Roman Catholic priests became the most dreaded religious strike force in all of history. They were the "Special Forces" for the Vatican.

When it began to leak out that the Roman Catholic Jesuit priest Ignatius Loyola founded the Illuminati, the Jesuits used a member by the name of Adam Weishaupt (under the extreme oath and induction), to pretend to leave the Jesuit order. He pretended to be the originator of the Illuminati. On May 1/1776 this was done to make the world believe that there is no connection between the Illuminati and the Roman Catholic church. Ignatius Loyola the first general of the Jesuit army used to put himself into a trance and levitate like many other Roman Catholic Jesuit priests. This black pope utilized what we now casually call the "behavioral sciences": philosophy, metaphysics, logic, psychoanalysis, psychology, hypnosis, telepathy, parapsychology, psychiatry, and psychotherapy, to perform his witchcraft abilities from the force of Satan.

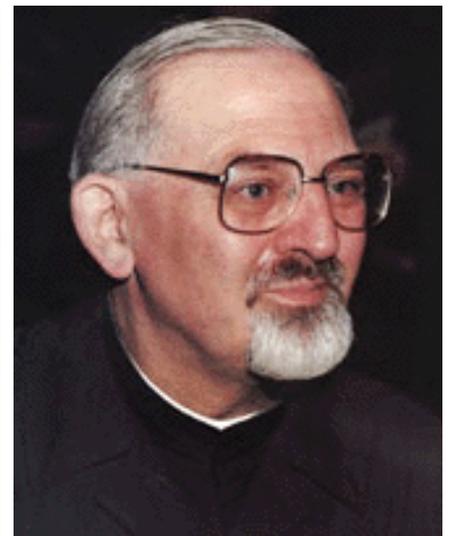

“Through systematic meditation, prayer, contemplation, visualization and illumination, Loyola would go into a trance and ecstasy. He was even seen to levitate off the floor, as have many Jesuits completely under satanic power, including myself.

“This was to build his elite Jesuit order to follow him in blind obedience. Loyola built his concepts from ancient Greece, from the occult, and from sciences.

“He wanted his priests to become the intelligentsia of the Roman Catholic religious orders.

Around 1550 the Jesuits began infiltrating every religion and denomination. Their job was to infiltrate and destroy churches other than the mother church. They are still doing so today in a sophisticated manner, thanks to the ecumenical, charismatic movement, and some fundamentalist churches. They also infiltrated most Bible Schools and Seminaries around the world, and keep them from teaching the fullness of the word of Yah. They keep these institutions busy with reports and doctrinal issues so that their members can not, and will not, receive the leading of the Holy Spirit. The organizations are taught to use man made answers to any and all questions concerning the Bible. In short, the member students are urged not to think for themselves (or receive revelations from the Holy Spirit), but to trust in the written interpretations of fraudulent teachers and leaders of these institutions. It is obvious today that this infiltration has worked.

The Society of Jesus (Societies Iesu [S.J.] in Latin) is a Christian religious order of the Catholic Church in direct service to the Pope. Its members, known as Jesuits since the Protestant Reformation, have been called "Foot soldiers of the Pope" in part because the Society's founder, Saint Ignatius of Loyola, was a soldier before he became a priest. Today, Jesuits number almost 20,000 and comprise the second-largest religious order in the Catholic Church (the Franciscan family of orders has approximately 200,000 members, of whom 35,000 or so are priests or brothers). Jesuit priests and brothers are engaged in ministries in 112 nations on six continents. Their work is focused

on education and intellectual contributions, primarily at colleges and universities, as well as missionary work and ministry in human rights and social justice.

The Jesuits have infiltrated the ranks of many pagan religions and secret societies such as: Masons, Illuminati, Unity church, Mormons, Jehovah Witnesses, Christian Science, Unitarianism, Anglican, Knights of Columbus, Bilderberg group, Trilateral Commission, Club Of Rome, United Nations, the EC, etc. etc..

### **Summary**

The Roman Catholic Church is Satan's Church. He is the master, and they do as he says. He guides them in all their ways, regardless of who is supposedly at the head, be it the Pope, or the Black Pope. Rome is, and has always been the nest of the spiritual anti-christ system on earth, and she will remain as such till the actual man of the anti-christ comes forward in the last days. The man known as the anti-christ will not come directly from Rome, but will continue to use his powers along with the Vatican in order to destroy the souls of people on earth. He will not be a Pope, as many eschatologists believe.

The duty of the devil has been to use the Religion of Rome to impersonate the real Assembly of the Holy One of Israel (Messianic/Hebrew Roots), the set-apart Believers and followers of Yahveh and Yeshua. Obviously he has done an excellent job, because he has had many millions of innocent people murdered throughout history by his Roman Catholic Church participants. They have done plenty to disrupt, steal, control, manipulate, dominate, and destroy, humankind, since Constantine organized them to do so in 321AD. The Bible tells us that Satan is the god of this earth, and his headquarters have been in Rome for a long long time.
