Enrollment Form

I would like to enroll my child, _____ in the Amesbury Montessori School for the academic year 2021-2022. My child will attend the following Montessori program **circled** below.

Our program is composed of children ages 3 to 6 years. In this setting the children naturally respect each other's work and individual accomplishments. They take an active role in maintaining their environment, which is divided into five main areas: Practical Life, Sensorial, Language, Mathematics, and Cultural. The Montessori curriculum is enriched with science, art, and music/movement experiences. The curriculum meets the children's fundamental need for independence, language, discovery through the senses, and investigation of the world around them.

Due to current Covid-19 restrictions, the school is limited in welcoming visitors. If you would like to visit the school or discuss the program, please contact Stacie Grasso at 978-766-9389 or sgrasso@amesburymontessori.com.
