

Thank you so much for joining Minervas, North Carolina Global Art Project.

This is an opportunity to connect with women and create something beautiful as an offering of peace into this world.

Our art contribution to this amazing project is to cast molds of our faces. This will be done over the space of several months.

(Final piece should be submitted by February 15th 2022 to Frankey Craig - you can email frankey@ourpsychicart.com for the mailing address).

We want you to think about 'The Woman Behind the Mask' Who are you? Big question huh!

We ask that you try and reflect things such as; where you are from, what brings you peace and what kind of things you love in your design.

Your face in plaster cast will be your canvas. You can use paints, dry flowers, beading, pens or mixed media! Whatever you feel drawn to work with.

If you are not in our physical circle please get in touch if you would like help, tips and tutorials on how to cast your face safely.

First, we invite you to start putting ideas down for how you would like to decorate your mask. What do you want it to look like?

You can use the template, print it out as many times as you need until you are happy with your final concept.

Please contact Frankey or Claudia if you need support or have any questions.
