BBNS Academy Headlines

April Student of the Month:

Our April Student of the month is (drum roll please).....

Kylee Dawes

BBNS Academy is proud to present Kylee Dawes as our Student of the Month for April 2022! Kylee is a 4-year-old K4 scholar that loves to watch Peppa Pig and to eat animal crackers and pretzels. Kylee was awarded the April Student of the Month award because she is our Pre-K princess that is very vocal and stands for justice. Kylee is always excited to learn, share her knowledge, and do her work. Also, here at BBNS Academy, we had all our students and staff vote for who they believe should be the student of the month, and Kylee won the popular vote amongst her peers and our staff. Congratulations Kylee, and Happy Birthday!

Miss Darby is our k3/k4 Teacher's aide, but our preschool students will tell you, "That's my teacher." Miss Darby always puts her best foot forward everyday, and is always looking for new ways to teach all of her students no matter where they are academically. Because of Miss Darby's dedication, our preschool students have learned so much this past year! This is because Miss Darby teaches with both love and fun, and for this, we say Congratulations Miss Darby!

Principles from the Principal:

This month will be highlighting 3 core principles and practicing them throughout the month.

Below are the 3 things that we would like for you and your children to reflect on during the month of April 2022.

1. Self-Discipline:

No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it.

Hebrews 12:11 (NIV)

2. Hope:

For everything that was written in the past was written to teach us, so that through the endurance taught in the Scriptures and the encouragement they provide we might have hope.

Romans 15:4 (NIV)

3. Meekness:

But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law.

Galatians 5:22-23 (NIV)

It would be of great help if you would reinforce these simple principles with your child(ren) at home. Together we can help every student experience academic success and God-pleasing relationships and actions during this school year!

Happy Resurrection Sunday:

Easter isn't just the holiday where we dye eggs, hide them, and find them for candy. Instead, it is more importantly a day that we celebrate Jesus Christ our savior, and how he has risen from the dead to save the entire world from all of its sins!

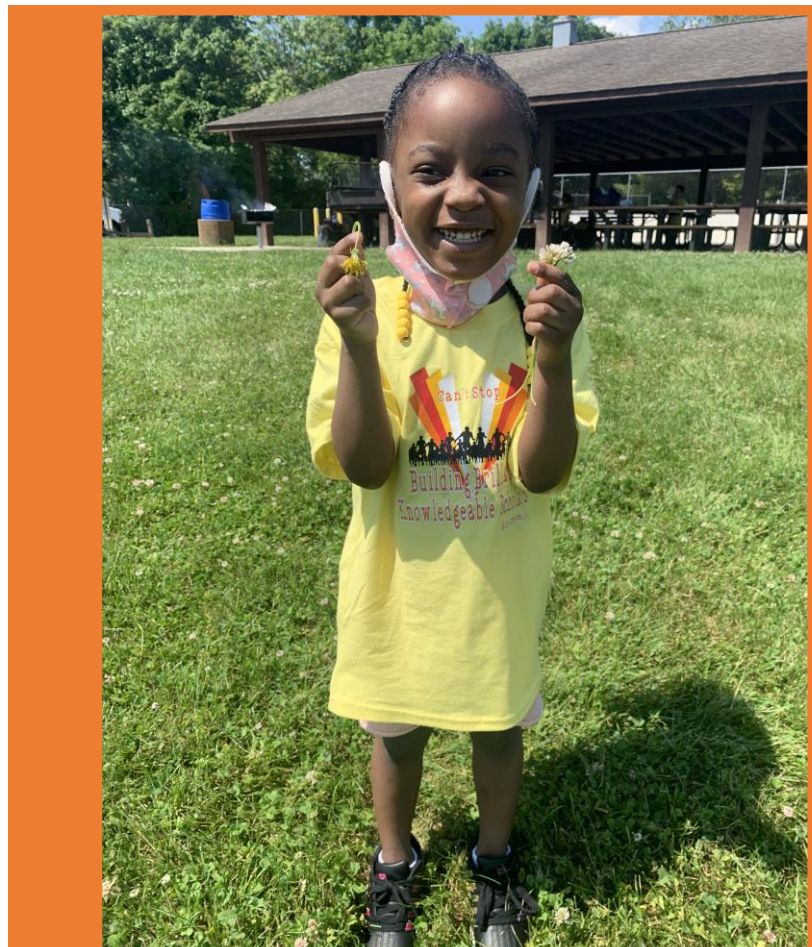

HAPPY RESURRECTION SUNDAY!
