

November

*“Fallen leaves lying
on the grass in the
November sun
bring more
happiness than the
daffodils.*

Dear Parents,

With the cases of Covid-19 on the rise, the Government of Alberta has implemented new measures to lower the risk of spread. Please go to www.alberta.ca/covid19 for updates.

In light of the new situation, Fort Road Day Care & OSC has upped the cleaning and sanitation procedures in our Centre, furthermore, because Kinder Garten and OSC children have contact with other children from their school, we are very strongly recommending the use a face mask while in our Centre.

Fort Road Day Care & OSC has remaining free of Covid-19 cases and we are making sure we stay this way.

For the December Holidays, our Centre will be closed on December 24th, reopening on January 4th.

Take care,

Fort Road Day Care and OSC
