Just for Fun

An Indian walks into a cafe with a shotgun in one hand and pulling a male buffalo with the other. He says to the waiter, "Want coffee."

The waiter says, "Sure, Chief, coming right up." He gets the Indian a tall mug of coffee.

The Indian drinks the coffee down in one gulp, turn and blasts the buffalo with the shotgun, causing parts of the animal to splatter everywhere. He turns and walks out.

The next morning the Indian returns. He has his shotgun in

one hand, pulling another male buffalo with the other. He walks up to the counter and says to the waiter, "Want coffee."

The waiter says, "Whoa Tonto! We're still cleaning up your mess from yesterday. What was all that about, anyway?"

The Indian smiles and proudly says, "Training for position in United States politics. Come in, drink coffee, shoot the bull, leave mess for others to clean up, disappear for the rest of the day."
