Last Month Look Back

Our April 30th Outreach was just amazing, and we blessed well over 100 vessels. It is always a joy to bless the community and hear their wonderful feedback on the food and the care packs. One gentleman expressed multiple times how awesome the food was! They were hungry and were asking for seconds. We provided everyone with a well-stocked care pack to include masks and socks, and lotions/t-shirts for the ladies.

Giving God all the Glory for allowing us to increase the food items, clothing, and hygiene items this month. Supporters you all showed up for Soul-Lifted Sisters again this month. T-shirts, Lotions and Fruit Cocktails added to the already wonderful meal and care packs!!! Wait, did I mention the Sandy Chang put all the care packs together for us and boxed them up. Words of gratitude cannot express how much this helped!!

Humble thanks to our amazing volunteers who came out to serve in the storming rain with us this month. Your dedication in this season is priceless. Thank you for understanding the mission we must carry onward.

Chemo Care Packs and Cards of Encouragement went on April 29th.

Drum Roll Please!!!

Year number two and we were able to increase our scholarship awards from \$500.00 to \$1000.00. Yes, you are reading this correctly!! The support seeds and fundraisers are real and made this dream a reality!! Talk about speaking things into existence. We are so happy to bless these students again this year!

Every penny collected is disbursed to the students as you can see, so keep giving so we can increase again next year. We are a ministry of honesty and very giving.
