

## WHY BECOME A CORPORATE SPONSOR?

Your investment in our mission will help us to continue to provide high quality services to our community. Your sponsorship will go toward our general operating costs and support our goals of partnering with our community and correctional institutions, law-enforcement agencies, rehabilitation centers, and youth groups. Every donation counts! Thank you in advance for considering and supporting our effort to enrich lives with education, training, mentoring, and allow people to recognize their past as not a weakness, but as a catalyst to push forward and excel. Donations can be made payable to Minor Adjustments, Inc.

For more details about our programs, please contact Mrs. Lernel Williams by phone at (888) 233-3299 or email at [minoradjustments2013@gmail.com](mailto:minoradjustments2013@gmail.com)

- Custom thank you post on social media with a link/tag
- Logo and link in a digital organizational newsletter sent out annually
- Large logo and link in a prominent spot on our website for one year

# CORPORATE SPONSORSHIP

## ABOUT US

We were founded in 2015 by Michael L. Williams, who knows deeply the need for an organization like Minor Adjustments. After more than 22 years spent in prisons, jails, and rehabs, and personally experiencing the struggle of re-entry into society and still managing to change his life and get on the right track, Williams committed himself to people who are currently experiencing that same struggle he once did. Now a certified Drug Counselor, Peer Recovery Coach, and ten times published author, Williams uses both his experience and expertise to provide support, resources, and high impact programs to participants.

Funding will be used to run our 8-week courses and to help get the Minor Adjustments Transitional Houses started. We know for some individuals, returning home to their old environments where they used drugs and committed crimes will be stressful and triggering and we aim to help them make a smooth transition back into their communities.

## OUR SOLUTIONS

Our organization's main programmatic focus is our 8-week course, comprising of one session per week. During the course, the facilitator and participants will go over "The Minor Adjustments Workbook", which utilizes different methodologies to allow for participants to feel empowered and ready to take back their reins on their own life.

Success is monitored by lowered rates of recidivism in the communities we serve.

## INTRODUCTION

Minor Adjustments, Inc. is a vital 501(c)(3) nonprofit organization that has dedicated itself to preventing and reducing crime in the New Jersey area. We consider it our primary purpose to teach our men and women how to make the "Minor Adjustments" necessary to Obtain and Maintain a productive and healthy lifestyle while reassimilating into society after incarceration or rehabilitation.
