Class Descriptions

Foundations 1 & 2

For those just starting out in agility/obedience. This class teaches fundamental skills needed for a well-behaved household dog, and foundational skills for agility in the future

Foundations 3 & 4

After graduation from Foundations 1, dogs move to this class which focuses on all contact obstacles, learning basic agility handling moves, and small sequences of obstacles

Novice

For those who are getting ready to or actively competing at the Novice level of agility

Open

For those who are actively competing in the Open level of agility

Excellent

For those who are actively competing in the Excellent level of agility

Masters

For those who are actively competing in the highest level of agility, Masters
