

Admissions Policy

- ❖ **Family Lifestyles:** We welcome all families. We do not require that families attend our church or any church, or adhere to a certain lifestyle or religion. We welcome any family who is willing to allow their child to attend a Christian school where they will be receiving a non-denominational Christian education. (Non-denominational = not restricted to a particular Christian denomination, i.e. Catholic, Methodist, Pentecostal.)
- ❖ **Potty Training:** Students must be potty-trained and in underwear to start preschool. If you pay the enrollment fee and your child isn't potty trained in time for school to start, that enrollment fee is not forfeited. It is honored once your child is ready to start. (We can help with wiping bottoms if they ask)
- ❖ **Age for Preschool:** Students must be at least 3 years old to start. Children with birthdays later than the first day of school (last week in August) may enroll one month before their third birthday, if space allows, and start attending once they turn 3.
- ❖ **Age for Pre-K:** Students should be 4 by September 1st to enroll in Pre-K.
- ❖ **No enrollment deadline:** New students are accepted throughout the school year as space allows.
