0 - 1,000 gallons (minimum bill)	\$ 30.99
Over 1,000 gallons	\$ 10.73 per thousand

TAPPING FEES, ETC.

ALL RESIDENTIAL PRIVILEGE FEES ARE \$1,000.00			
<u>Type Service</u>	<u>Non-refundable Service Fee</u>	<u>Includes Privilege Fee Total Cost</u>	<u>Minimum Bill</u>
¾" Residential	\$60.00	\$3,000.00	\$ 30.99
1" Residential	\$60.00	\$3,500.00	\$ 30.99
2" Residential	\$60.00	\$1,000 + Installation Cost	\$ 30.99
<p>If installing a tap requires excavation in rock, boring underneath a creek or other body of water, or more than 100 feet of service line, or if the District determines that excavation cannot be completed with a rubber tire backhoe, the customer must pay the District for any labor and material beyond the base tap fee. The customer must pay the District's estimate of the cost up front. When work is complete and the final cost is known, the customer must pay any cost more than the estimate, and the customer will receive a refund of any overpayment.</p>			

1" Commercial	\$100.00	\$ 1,600.00 + installation cost	\$ 30.99
2" Commercial	\$100.00	\$ 2,800.00 + installation cost	\$ 30.99
