

Health / Zoning / Code Office for the City of Connellsville

Tom Currey, Monday - Friday from 9 AM - 5 PM, 724-628-2020 ext. 207

If you are considering building a structure or renovating a property in the City limits, please contact Mr. Currey for detailed instructions on the City of Connellsville's rules and regulations. He will also explain the building permit process.

Please note: If you are considering putting in an above ground or below ground pool, you must have a building permit. Mr. Currey will help you through this process.

If you are considering opening a business in the City, please check with Mr. Currey to ensure the location you are looking at is zoned appropriately for your business.

If you have any health related issues in the City, Mr. Currey will inspect and handle all complaints.

Mr. Currey inspects all schools, food establishments and vendors.
