

**We are now providing Family & Caregiver Training (in-home, electronically, or at a place locally agreed upon) under the FIS Waiver. This service is only offered for the FIS Waiver. Trainings are provided by either qualified or licensed staff. There are a wide range of training topics we provide under this service and the list below is not all-inclusive. Please contact us if you have a training topic that is not listed below.**

- daily care at home
- IEP's
- behavior training
- getting services added into an IEP
- reasonable accommodations
- how to complete school assessments
- how to interpret school assessments
- selecting appropriate tools
- trainings for occupational and speech therapy
- crisis management
- reconsideration requests for SSA
- health trainings  
(diabetes management, seizure management, mental health etc.)
