**H.O.M.E**

While most of us could describe the essential elements of a healthy, happy home, there are far fewer who would say they grew up in their ideal home environment. Unhealed childhood pain and trauma can result in adverse effects in virtually every area of life. Some continue to feel like victims for life. Others understand that being victimized does not make one a victim. Our traumas need not define us. We define ourselves and the role we assign trauma in our lives. H.O.M.E. then becomes the place where Healing Opportunities Manifest Everywhere. The task of facing one's inner dragons is part of the Hero's initiation and is necessary for the transformation that results in psychological and spiritual maturity.
