# Being Quiet

There is "A time to keep silent, and a time to speak" Ecclesiastes 3:7. Being quiet can be a struggle, but it can also be a good virtue to have. The Bible commends those who are able to keep the peace and listen, however, discourages being quiet due to timidness. Through God's words we can be empowered to speak out for it can lead to great things, but at times quietness is also needed. Through these Bible verses we can find a balance.
