

CURSES (PART 2 OF 2)

CURSES FROM SATAN OR HIS SERVANTS THAT HAVE LEGAL RIGHTS

Satan is responsible for all curses, especially on unbelievers. They don't understand why they just can't believe in Yahveh, even though they want to. Atheists are a perfect example of people cursed by Satan, as explained in the following verse. **2Cor. 4:4** *in whose case the god of this world has blinded the minds of the unbelieving, that they might not see the light of the gospel of the glory of Messiah, who is the image of Yahveh*" This is an outright blatant curse from Satan himself. Every time you sin, you give Satan and his principalities, powers, and rulers a legal right to put a curse on you. (1Pet. 5:8)

Curses from Satan are thought by many to always involve demon spirits. When a curse is placed, many believe demon spirits are sent to a person or family for the specific purpose of the curse. The curse is said to be the sending mechanism, and the demon spirits bring about the fulfillment of the curse.

CURSES FROM YOUR SINS

When you sin, Satan has a legal right to curse you, or in some cases, implant a demonic spirit. If you know what sin is, you must repent of it and stop doing it in order to receive the blessings of Hashem rather than the curses of Satan. As per **Deut. 30:19** *"I call heaven and earth to witness against you today, that I have set before you life and death, the blessing and the curse. So choose life in order that you may live, you and your descendants,"* Satan puts a demonic spirit/curse on your family blood line.

GENERATIONAL CURSES (SINS OF YOUR FOREFATHERS)

Un-repent sin from your forefathers can allow a curse on the family blood-line through the father.

A curse is sometimes like a dark shadow from the past. Some generational curses come from the terrible things people of your blood-line did in the past. Some people have curses on them without even realizing it.

A very popular passage in scripture that hints of generational curses is found in the scroll of Jeremiah. **Jer. 31:29** *"In those days they will not say again, "The parents ate the sour grapes and the children will get the sour taste" .*

One characteristic of a curse is they can carry on from generation to generation until a born again person has them removed. The result is that many people are enduring in their life, consequences from curses on the family blood-line that may have taken place many generations ago, even to the beginning of time. You have to trace your problem to it's source, and take the appropriate action in order to be released. The following is an example of scriptural reference to generational curses:

Deut. 23:2 *"No one of illegitimate birth shall enter the assembly of Adonai, none of his descendants even to the tenth generation"* This could be arguably the worst curse in the Bible. When you think about the severity and perpetuity of this curse it is mind-boggling, and is sure to be upon almost **EVERY HUMAN BEING IN EXISTENCE**. It means that any **descendant of ANY** person who was born out of wedlock is cursed from Yahveh Himself, until the curse is removed.

Generational curses can come directly from Yah, through the biological **FATHER** only. **Deut. 5:9** *“I Adonai your God am a jealous God, visiting the iniquity of the **fathers** on the children, and **on the third and fourth generations of those who hate me**, but showing loving-kindness to thousands, of those who love me and keep my commandments”* (also Exod. 20:5). Here we see another never-ending curse on people who hate the Holy One of Israel. That includes billions of people. The third and fourth generations mentioned here is perpetual (forever) and would include a lot of individuals.

Property, or objects dedicated to Satan may also contain generational curses through those who partake of them. When these objects are passed down, the curse can be carried on from one generation to another if it is not dealt with. Sometimes land, buildings etc. are cursed because of a families sins of the past; this is where demons often take up residence and dominate, (ghosts etc.). One must only go on this property or in these buildings to destroy or remove the demons present. People who live on this property may come under the affliction of the demons until they are removed and destroyed. (Lev. 14:33-45)

There are some curses spoken by holy men in our Bible that may be considered generational. These curses were petitioned as per Yahveh’s will.

Joshua cursed Jericho and the people. The people would have included the blood-line of those generations. **Josh. 6:26** *“Then Joshua made them take an oath at that time, saying, **“Cursed before Adonai is the man who rises up and builds this city Jericho; with {the loss of} his first-born he shall lay its foundation, and with {the loss of} his youngest son he shall set up its gates.”** Josh. 9:23* *“Now therefore, **you are cursed**, and you shall never cease being slaves, both hewers of wood and drawers of water for the house of my Yahveh.”*

In the following verse we see Jotham, the son of Jerubbaal, executing a curse. **Jgs. 9:57** *“Also Yahveh returned all the wickedness of the men of Shechem on their heads, and **the curse of Jotham the son of Jerubbaal came upon them.**”*

Even King David speaks of many curses in the scroll of Psalms. **Ps. 109:6-20** *“Appoint a wicked man over him; And let an accuser stand at his right hand. When he is judged, let him come forth guilty; And let his prayer become sin. Let his days be few; Let another take his office. Let his children be fatherless, And his wife a widow. Let his children wander about and beg; And let them seek {sustenance} far from their ruined homes. Let the creditor seize all that he has; And let strangers plunder the product of his labor. Let there be none to extend lovingkindness to him, Nor any to be gracious to his fatherless children. Let his posterity be cut off; In a following generation let their name be blotted out. Let the iniquity of his fathers be remembered before Adonai, And do not let the sin of his mother be blotted out. Let them be before Adonai continually, That He may cut off their memory from the earth; Because he did not remember to show lovingkindness, But persecuted the afflicted and needy man, And the despondent in heart, to put {them} to death. He also loved cursing, so it came to him; And he did not delight in blessing, so it was far from him. But he clothed himself with cursing as with his garment, And it entered into his body like water, And like oil into his bones. Let it be to him as a garment with which he covers himself, And for a belt with which he constantly girds himself. Let this be the reward of my accusers from Adonai, And of those who speak evil against my soul.”*

The things David spoke into existence here are of a very serious nature. How would you like to be in the blood-line of those people? Who knows, maybe you are.

Adonai Himself struck a child with sickness so it would die because of the bad deeds of its father, King David. **2Sam. 12:15** *So Nathan went to his house.*

Then the LORD struck the child that Uriah's widow bore to David, so that he was very sick." This is a generational curse. Not only did David pay for his sin, but his son, the next generation, also.

Poverty

Many people don't realize that poverty can be, and is often a curse, passed down from generation to generation. Those who find themselves on welfare may discover poverty is a generational problem throughout their blood line. If the truth be known, welfare is an addiction. The desire to not work in any way is as old as the sin nature of man. There is nothing more addicting than receiving something for doing nothing. This addiction will destroy the participant with a feeling of guilt, worthlessness, shame, and self-hatred, that invites demonic progression to a state of no return.

The poorest countries in the world, because of their pagan lifestyle, are often cursed as a whole, from generation to generation. You will notice that the third world countries that worship pagan gods are the poorest and most downtrodden nations of the earth. Although Canada and the United States are now very pagan in nature, they are still far ahead of the third world countries in regard to poverty and famines etc., because of the few true Bible Believers interceding throughout the land.

Adonai gives us His opinion of pagan practices. Many sicknesses and addictions are caused by demons, because of generational curses. The illness is often cast down from generation to generation without anyone ever picking up on it. Yahveh said in connection with idolatry that he would visit the sins of the fathers to the third and fourth generation. If any of your past relatives had anything to do with idolatry, you must repent of it. It could establish a generational curse. **Deut. 18:10-12** *"There shall not be found among you anyone who makes his son or his daughter pass through the fire, one who uses divination, one who practices witchcraft, or one who interprets omens, or a sorcerer, or one who casts a spell, or a medium or a spiritist, or one who calls up the dead. For whoever does these things is detestable to Adonai"* If you are detestable to Adonai, it means you are most certainly not blessed.

Generational curses from secret societies..occult

Curses attract demons! There are also many curses passed down from past generations or from people in the occult, practicing witches, druids etc., that may want to harm you or your family blood line. Freemasonry, Jesuits, Knights Of Columbus, etc. are examples of occult sources of many curses and demonic problems that continue from generation to generation. These problems include mental disabilities and crippling. Freemasonry, for example, is one of the biggest "subtle" sources of curses on the population in general. It has, and will continue to cause, chaos in the demonic realm until the coming of its anti-Messiah leader in the end times.

Hating God without a cause

Many believe the Holocaust was the result of the Jewish people hating without a cause. They hated Yah because they refused to accept Yeshua as Messiah. Between

1938-1945 over 6 million Jews were killed in the Holocaust by the French, Italians, Russians, (Stalin killed more Jews than Hitler), Germans, Croatians, Ukrainians, and many more.

Generational curses in names.

Names, like places can have curses on them. example: People who get their middle name from a relative, (father, grandfather, etc.), may take on the curses of that relative if that relative was a secular unsaved person with generational curses.

Lame attempts of religious organizations to deal with generational curses.

In many religious organizations, it is common to have "infant baptism"; that is, the Baptism of a child when it is still a baby. The Lutheran church has declared this a Holy Sacrament and has been doing this since it's formation. In this sacramental ritual, the baby is dipped or sprinkled with water as a sign of a covenant made with Yahveh, and the parents, and godparents of the child. The minister prays to supposedly release all generational curses from the child, the child is anointed with oil, and blessed by the minister.

Because an infant cannot speak or make important decisions, the parents and sponsors stand in for the child during the service of Holy Baptism. *"Do you renounce all the forces of evil, the devil and all his empty promises?"* As they profess their faith through the words of the Apostles Creed, they answer these questions: *"Do you believe in God the Father--in Jesus the Son of God--in God the Holy Spirit?"*

Those who present the child for baptism promise to diligently and faithfully teach the child the Ten Commandments, the Creed, and Lord's Prayer, bring the child to services in El Gibor's house, and provide for instruction in Biblical faith. The sponsors and parents are mutually involved in the Biblical education of the child. The baptismal day is only the beginning. The sponsor is to constantly pray for the child as the child grows up. The sponsors are to bear witness to their faith and help to keep Yahveh's Word central in the child's life. They are to be an example of righteousness for the child, sharing with him or her the salvation that has been given through Yeshua. A sponsors responsibility in the covenant of Baptism never ends until death takes place.

The congregation, in many instances, verbally accepts this child, and agrees to be part of its upbringing as part of the covenant. The parents make a covenant with El Gibor to bring up their child in a righteous manner, and teach it the way of Adonai. The god parents in turn make a covenant with Yahveh and the child's parents to make sure that the child receives Biblical morals and principals as agreed to by the parents. They also agree to bring the child up in this manner if the parents should die or not fulfill their obligation. In simple terms, the entire congregation, the parents of the baby, and the godparents all make a vow before Yahveh to make sure this child is brought up in a righteous like manner till it is old enough to leave home and be set free. This is a beautiful blessing for the child no doubt, a wonderful thing to do. But, if the child is not brought up properly, as is the case too many times to mention, the parents, godparents, and the entire congregation that agreed and participated in this covenant, are cursed and held responsible for failing to partake in their part of the covenant.

In Pentecostal or Baptist type infant Dedication, the child is blessed, but rarely are the generational curses removed. In this case, it is not considered a sacrament, but the

child is dedicated to a Jesus and a similar covenant is made between the parents, the congregation, and Yahveh. Again, this covenant is to be taken most seriously, but is accepted rather as a ritual. The same curse applies to all those who participate in this ceremony.

In summary, what was spoken of in Jeremiah wraps it all up: ***“The parents ate the sour grapes and the children will get the sour taste”***.

CURSES FROM VOWS-DEDICATIONS

If you have made and or broken vows of any kind, e.g. marriage vows, baptismal vows, and any other vows to Yah, it gives Satan a legal right to put a curse on you. If you or any of your forefathers once made a vow, were dedicated to Satan, or worshipped Satan and later broke that vow, Satan will try to curse you. For example, if an ancestor was buried alive there may be a curse of claustrophobia put into the family bloodline.

Some Freemasons make a covenant of secrecy with the occult, and everything in it. Realizing that if they break that oath, or quit, they are putting a curse on themselves and their families for generations to come. Anyone who has taken the vow of the Jesuits, or Knights of Columbus must repent of it at any cost. This particular oath is made in “blood,” and is one of the most evil oaths known to mankind. The evil fallout of family members from pagan oaths taken by men in the Knights of Columbus, and Free-Masons, can be disastrous on any and all immediate blood relatives. If you ever made any kind of vow to God and didn’t keep it, you may be cursed. Most people have been in a situation, where they were in serious trouble, and vowed to Yah that if He would get them out of this predicament, they would do certain things for Yah. Example: *if you ever get me out of this situation I will follow your word and go to church regularly*”; and after they get Yah’s, help they forget about the promise. They may have forgotten, but Yah hasn’t.

If you have ever been divorced, regardless of reasons, you have broken a vow to Yah, and you may be cursed.

CURSES FROM UN-FORGIVENESS

If you have any unforgiveness in your heart, if there is anyone or anything that you refuse to forgive, it gives Satan the legal right to curse you and get a hold on you. You will have this curse on you till you forgive whomever you are angry at, and repent to Yahveh for it.

CURSES FROM SATAN THAT HAVE NO LEGAL RIGHTS

Satan is always trying to get his hook in your mouth, and he will use whatever means at his disposal, even if he has no right to use it. He bluffs his way into situations by manipulating you when you are in doubt or in trauma. He will grasp at anything from your past to destroy your future. He will send in his secret agents, “demons,” to oppress you and sit on your shoulder till you make a wrong move. Never underestimate the power of Satan.

CURSES FROM PROFESSING FAITH

As a Believer, Satan will try to destroy and curse you, even though he has no legal right. Before you became a Believer he had you under his thumb like 100% of the secular world. The minute you give yourself to Yeshua he comes at you with both barrels blazing, because he has lost you. New Believers must be very careful and remember to constantly cover themselves with the blood of Yeshua, until it becomes routine, or Satan will find a

think in your armor.

CURSES FROM WITCHES-SORCERERS-DIVINERS

People involved in witchcraft of any kind can put illegal curses on you. This will take hold on your body and soul, causing damage, even though your spirit is protected by the blood of Yeshua. Your spirit is safe if you are a born again Believer. It is protected by Yahveh, but your soul can be harmed. Some people involved in the occult can and will put curses on Believers. They perform ceremonial rituals and get demon spirits to carry out the curses. You must always defend yourself against these types of curses. They may come through anything that represents a deity of a foreign god that has had reverence given to it. (Ezek. 8:1-10)

CURSES FROM ANCIENT CUSTOMS-TRADITIONS

If one has ever been involved, trying to preserve ancient cultures dedicated to demon gods of this world, you may have a curse on you. Yahveh doesn't want any honor of any kind given to pagan god's. (Deut. 7:24-25) For detailed information look under the heading "Multi-cultural pagan worship".

CURSES ON PROPERTIES-POSSESSIONS

A Believer should never go on property dedicated to Satan unless it is to destroy it. We should stay away from property of those who have had curses put on them, or their generation. Sometimes land, buildings etc. are cursed because of a families sins of the past; this is where demons often take up residence and dominate, (ghosts etc.) One must only go on this property or in these buildings to destroy or remove the demons present. People who live on this property may come under the affliction of the demons until they are removed and destroyed. (Lev. 14:33-45)

CURSES FROM OURSELVES

We place curses on ourselves, family, friends and loved ones sometimes without even knowing it. The following is a list of examples of curses we ignorantly put on ourselves on a regular basis without realizing the damaging effects they have on us.

A woman may say something like:

"I'll never get pregnant!"

"I'll probably lose this one too, it always happens to me!"

By saying these things you can see what the woman is casting upon herself.

It's common to hear people say:

"That's driving me crazy!"

"It makes me crazy just thinking about it!"

"I get sick just thinking about it!"

"I can't take any more, it's making me nuts!"

"If I have to say that one more time something bad's going to happen!"

"If that happens one more time I'm going to kill myself!"

"I may as well be dead!"

"What's the use of living?"

"You'll do that over my dead body!"

"I'd rather die than have to do that!"

"I'd rather die than go on the way I am!"

Many people become sick by saying things like:

“If there’s a flu bug around I’m sure to get it!”

“I’m sick and tired!”

“I guess I’m next, it runs in the family!”

“Every time I go there I get sick!”

“Seeing you makes me sick to my stomach!”

“I knew that was going to happen!”

“I knew there was trouble ahead!”

“No-wonder, I’m just a clumsy kind of person!”

Some divorces can be attributed to bad remarks:

“Somehow I knew it was too good to last!”

“I knew before we even got married something bad was going to become of us!”

“I had my palm read and the lady said my husband would leave me!” “Somehow I knew my husband would find another woman and leave me!”

“In our family we are always fighting!”

Many people remain in poverty because of phrases like:

“I can’t afford to tithe!”

“I can never make ends meet, I’m always broke!”

“Why are those types of people always rich, that’ll never happen to me!”

“I may as well get used to being poor!”

“I’ll never make it above the poverty line!”

The following is an example of a double edged curse I once heard explained by probably only one of the two so-called christian preachers I ever heard that knew what they were talking about. His name is Derek Prince. It goes as follows: “A husband says to his wife after a bad meal: “you’ll never be able to cook turkey, you always ruin it, and it makes me sick”. In this example the man puts a curse on his wife. Without realizing it, the wife can never seem to cook turkeys properly and doesn’t understand why. In the second part, of this example the man unintentionally puts a curse on himself, and every time he eats her turkey, he “gets sick”. Some of the psychologists and new ager’s think this is just the result of negative thoughts and can be easily corrected by thinking positive, but this of course, is not true.

The following is an example of a man made curse that was used for a specific reason in the times of the Old Testament. Under the law of Moses, if a woman was accused of adultery, there was a specific test. She was taken to the tabernacle, and the priest would write out a curse, and then wash off the ink of the written curse into a cup of water. The woman would have to drink the water. If she was innocent, nothing would happen and that would be the end of it. If she was guilty, there would be disastrous physical consequences in her body as per what the written curse stated.

Your mouth is a lethal weapon, and what comes out of it can either benefit you and others, if it is Spirit lead, or can do serious damage to you and those under your authority. The Bible states frequently that we are to keep our tongue under control. That is why we were born with two ears and one tongue.

UNINTENTIONAL CURSES FROM AUTHORITIES

Curses from authorities are created when individuals are under someone else’s authority. Anyone in authority that has spiritual problems gives demons somewhat legal

grounds to those under his authority. An owner of a business, a pastor of a church, a school teacher, or principal, staff sergeant of a police detachment, etc.. This could be taken up to the very top as in the Prime Minister, or President of a nation. Those under his authority must take personal preventative measures regularly to remove curses and to break Satan's strongholds coming through the leader. In this manner their own lives and that of their families are protected.

Anyone in authority has the opportunity to give curses. Teachers, husbands, parents, bosses, coaches, and leaders of all kinds have the opportunity to place curses upon those under them, when they criticize or direct them in a wrong manner. An example of a curse from a teacher. Little Johnny has problems with his math, the teacher says to him: **“you’ll never be any good at math, you are just stupid”**. Without realizing it, the teacher has just sentenced little Johnny to a curse. (This same type of thing happens almost everyday in the homes of Believers and non Believers alike). A parent who is the head of the house, says bad or criticizing things that they may not really mean, to their spouse and children. But in the eyes of Adonai, the father should be the highest authority in his house, and that which has been said cannot be reversed without repentance. Every time someone of authority criticizes you and says **“you are”** (no-good, stupid, useless etc.) you begin to become an **“I am”**. If you keep hearing this, you become an **“I am”**. If you only hear curses you will likewise become cursed.

CURSES FROM SOUL TIES

Soul ties are often created when people not married have sex. The moment they have intercourse, their souls are tied together in the spiritual realm. This is why you hear stories about individuals that once had an affair, meeting somewhere unintentionally, and automatically ending up in bed together as if drawn by a magnet. It is a spiritual tie that must be prayed about in order to have it removed. In most cases, all one has to do is renounce the soul tie.

When people share their bodies and souls in a sexual act, the demons can transfer from one to another, and maybe even maintain a demonic link of types during their lifetime. The individual having done such a thing must sanctify their bed so that demons may not transfer to their unknowing mate. The bed of all married couples should be prayed over and sanctified so nothing like that can ever take place.

Another example of a soul tie can occur when childhood playmates have spent much time together. If one of the children is a bad child, the innocent child will end up being changed because of the spiritual warfare taking place. The good kid seldom ends up influencing the bad kid. It is almost always the other way around. Twins and very close friends often establish soul ties without even knowing it.

CURSES THROUGH YHVH

The power in our tongue is frightening. We must always surrender it to the Holy Spirit, through Yahveh, for guidance. In the book of James, 15 of the 108 verses talk about the power of our tongue. **James 3:8** *But no one can tame the tongue; {it is} a restless evil {and} full of deadly poison.*” King David told us what to do with our tongues in **Ps. 141:3** *“Set a guard, O Adonai, over my mouth; Keep watch over the door of my lips.”* and again in **Ps. 19:14** *“Let the words of my mouth and the meditation of my heart Be acceptable in Thy sight, O Adonai, my rock and my Redeemer.”*

I believe that if we truly watch our tongue, and only use it as guided by the Holy Spirit, we can do serious damage to Satan's spiritual realm. As Believers, we are not **"of this world,"** we are **"in this world"**. Our citizenship is of Heaven. We belong to the supernatural world, and therefore we have the right to use our supernatural powers to do whatever is required to destroy Satan and his spiritual world. Satan's representatives in our world take every opportunity to curse all Believers and to do as much as they possibly can to destroy the Kingdom of Hashem here on earth. Satanic groups, cults, and occults, do their best to curse and terrorize Believers using the powers of the supernatural spiritual realm. I believe it's time we Believers fought back! Our authority includes the use of all the spiritual armor and weapons given to us when we became true Believers. It is our obligation to do as much damage to Satan's kingdom as we can. It is sinful to compromise with evil. It is sinful to remain neutral towards evil. Yeshua said clearly, **"you are either with me or against me."** In **Prov. 8:13** it says *"The fear of Adonai is to **HATE** evil"*. It is our responsibility to **HATE** Satan and everything he stands for. We cannot hate or curse the people themselves, but if people are involved, we must hate everything they stand for that is against El Gibor's will. For example; death metal musicians like Metalica, Santana, Kiss, or Marilyn Manson's band. We have to love these individuals and pray that they turn from their evil ways, but we are to come against the very nature of their music and everything evil they stand for, being used to represent Satan. They're objectives are clear, so ours should be even clearer. Believers are to hate even the clothing of Godless people. **Jude 22** puts it like this *"And have mercy on some, who are doubting; save others, snatching them out of the fire; and on some **have mercy with fear, hating even the garment polluted by the flesh**"* In other words we are to **HATE** the very clothing of evil people. If you see someone walking around with Satanic evil symbols or pictures on their shirt or jacket, you should say something to them about it, not just walk on by minding your own business. It is your business!

CURSES SPOKEN BY HOLY MEN OF YAHVEH

There are many curses spoken by holy men in our Bible. These curses were petitioned as per Yahveh's will. The following are some examples:

Joshua cursed Jericho and the people. **Josh. 6:26** *"Then Joshua made them take an oath at that time, saying, **"Cursed before Adonai is the man who rises up and builds this city Jericho; with {the loss of} his first-born he shall lay its foundation, and with {the loss of} his youngest son he shall set up its gates."** Josh. 9:23 *"Now therefore, **you are cursed, and you shall never cease being slaves, both hewers of wood and drawers of water for the house of my Yahveh."****

Curse of Jotham, the son of Jerubbaal. **Jgs. 9:57** *"Also Yahveh returned all the wickedness of the men of Shechem on their heads, and **the curse of Jotham the son of Jerubbaal came upon them."***

David speaks curses in **Ps. 109:6-20** *"Appoint a wicked man over him; And let an accuser stand at his right hand. When he is judged, let him come forth guilty; And let his prayer become sin. Let his days be few; Let another take his office. Let his children be fatherless, And his wife a widow. Let his children wander about and beg; And let them seek {sustenance} far from their ruined homes. Let the creditor seize all that he has; And let strangers plunder the product of his labor. Let there be none to extend lovingkindness*

to him, Nor any to be gracious to his fatherless children. Let his posterity be cut off; In a following generation let their name be blotted out. Let the iniquity of his fathers be remembered before Adonai, And do not let the sin of his mother be blotted out. Let them be before Adonai continually, That He may cut off their memory from the earth; Because he did not remember to show lovingkindness, But persecuted the afflicted and needy man, And the despondent in heart, to put {them} to death. He also loved cursing, so it came to him; And he did not delight in blessing, so it was far from him. But he clothed himself with cursing as with his garment, And it entered into his body like water, And like oil into his bones. Let it be to him as a garment with which he covers himself, And for a belt with which he constantly girds himself. Let this be the reward of my accusers from Adonai, And of those who speak evil against my soul.”

Even Paul caused a curse to come on all those who don't trust the Word of Yahveh. Paul cursed people. **1Cor. 16:22** **“If anyone does not love Adonai, let him be accursed. Maranatha (our Lord come)”**.

Though great men of Biblical times spoke curses, we are not to speak curses on people, places or things. We are to ask Yah to do it! These men, I can only assume, petitioned Yah to place these curses. The Bible doesn't explain. We can only petition Him to do as we suggest, if we feel lead to place a curse.

CURSES FROM HOLISTIC HEALING PRACTICES

"Holistic", or holistic as it is sometimes spelled, is a term to describe any therapy which concerns healing of the body, mind, and spirit. It is based on the premise that we are "whole" people. What affects one part affects the whole.

The following is a list of some of the names and terms the New Ager's have given to demonic healing practices under the guise of holy holistic related healing of the body and the mind:

Melchizedek method
Tibetan Reiki (soul-star)
Seichim/Seklem Reiki
Tai massage (Nuad Bo-Ram in Thailand)
neuro linguistic programming
herbology
naturopathic therapy
su-jok
systems thinking
logical motivation
somato emotional release
biologic dentistry
aromatherapy
transformational acupuncture
Jim Shin Do
iridology

Karuna Reiki,
Usui Reiki,
Tera Mai, Chai
auriculotherapist
live blood analysis
craniosacral therapy
visceral massage
lymph drainage
silva mind control
ethical hypnosis
quadrinity process
labyrinth walk
rolfing
acupuncture
Shiatsu
reflexology

There are even groups of business men and women calling themselves “holistic lawyers” and “homeopathic veterinarians”, if you can even imagine. It reminds me of the ultimate oxi-moron; “Christian psychology”.

The word "spirit", often used loosely with New Agers, refers to our ethereal self. We easily understand our body and our mind. The discussion of spirit tends to lead to much confusion. It relates to our "life force," our internal "sense of self". It does not require affiliation with an organized religion, although it often does. People like Oprah Windfrey, that are into witchcraft and don't even realize it, use this term regularly without specifying which spirit she is referring to.

Another area of witchcraft Christians unwittingly use is in the area of herbs. Many of the herbalist's and herb shop owners (franchises) are involved in witchcraft. In most cases, incantations are done over the herbs, **that is why they work so well**. If you want to use herbs for medicine, I suggest you grow your own. A large number of health food stores (franchises) are owned by Hindu gurus. Yoga teachers will tell you that their foods are prepared only by yogis who perform the necessary meditations so that the foods will carry the “appropriate vibrations” (incantations) to enhance the spirituality of the user. These vibrations, of course, are demonic. The New Agers have included much of these herbs in their vegetarian diets. Some have even become addicted to certain herbs and foods due to demonic influence from a particular store. Most of these stores are fronts for satanic lead gurus.

BIO-FEEDBACK

Biofeedback is a demonic medical practice. A person is trained to control those bodily functions and areas Adonai has not ordained that we should control. It teaches people how to consciously control their spirit body, which then controls and alters what is happening in their physical body. El Gibor designed our bodies to work in a synchronized manner, not to be disturbed.

Biofeedback produces the same state of “altered consciousness” (contact with the spirit world) as various other forms of self-hypnosis and meditation. It trains the person to control their spirit body, which in turn controls their physical body; demonic healing.

ACUPUNCTURE

In spite of unsubstantiated reports that acupuncture works, no one has been able to explain how or why it works. Since its origin, supposedly some thousands of years ago, there have been no consistent reports of its actual healing throughout all the centuries.

The supposed origin of acupuncture goes back to a blind man named Waichi Sugiyama. Sugiyama, in a vision he had from his goddess Benten and her snake, received a tube needle that contained wisdom for healing. Sugiyama received this occult vision with a goddess while he was in a seven day trance state of devotion to her. Of course, those with understanding, will know that he was in contact with a demon, and the knowledge given him was demonic and unreliable. He expanded on the idea of acupuncture, and it was classified as a science in the 1600's.

The purpose of acupuncture is specifically to arouse the “kundalini force” to bring about the healing of a person. The needles used for acupuncture come from the East, where they are blessed by leaders of the Eastern Pagan religions. These needles, when inserted, act as doorways for demonic presence. The same points that pressure is applied

to in acupuncture are commonly used in Freemasonry, Witchcraft, Satanism, and Mormonism, for secret hand shakes, incantations etc..

Acupuncture needles, used by witches, with demons attached to them, are commonly broken off on purpose as satanic inserts. I personally have witnessed these types of demonic inserts.

The dragon of old is a very common symbol in China. It is worshipped, praised, and glorified throughout the Chinese, Indian, Japanese, and Korean cultures. The yin-yang belief of the two principals of nature abound in these countries. The Tao religion and yin-yang are aspects of divination through acupuncture practices in these occult worshipping nations. Because of occult medical practices, which include acupuncture's direct connection with this heathen culture, Believers should have nothing whatsoever to do with acupuncture.

REIKI

Reiki is an occult healing method that supposedly uses the hands of a healer to channel energy to another person through chakras or energy centres. It has been practiced for thousands of years. It was reintroduced in the 1800's by Mikao Usui in Japan. Reiki healing refers to the balancing of the energy, sometimes called chi or prana, in the body, to heal itself.

Practitioners claim that reiki has been found to have a calming effect on the body. They claim it can restore balance to the body. They claim it supports the body's natural ability to heal itself. They claim reiki is not intended to be a cure, that it does however, improve the body's natural ability to heal itself. Even the reiki masters admit that reiki is not intended to replace your physician or other health care providers.

Occult reiki healing can be given to all people, as well as animals and plants. It is not associated with an organized religion. Therefore, it is open to all. Traditional Reiki practitioners are trained under the direction of a Traditional occult Reiki Master.

MAGNETIC HEALING

Magnetic healing is another of the occultic alternative healing practices classed with the holistic groups of New Age healing. "Energy" (force) is the main focus of magnetic healing practices.

In magnetic therapy, detailed references are made in regards to the placing of magnets on acupuncture and acupressure points. As per their own literature, the placement of magnets on particular grids or points on the human body enhances healing. They say that by doing so, the prana, chi, or ki "energies" are allowed to flow properly throughout the body, therefore causing restoration and healing. In other occultic practices these energies are often referred to as od, vril, qi, glama, mana, innate, vital, and kahuna, plus various other names. This energy, originating from the genitals of the red dragon, is described as that force that flows through all of creation, whether it be animal, vegetable, or otherwise.

A ritual called "greeting the body", is used in magnetic therapy. This is said to establish a harmonic balance in the body. What most fail to realize is that they are greeting a mystical god of eastern occult practice. This practice of greeting the body is right out of the pit of hell. These are practices adopted from Buddhism, Hinduism, etc.. In other occult practices, it is commonly referred to as "yin-yang". In ancient years, these

healing gifts from the gods were used by many shamans and mystics.

Magnetic therapy, when used in regards to healing the metabolism, finds the practitioner using two magnets simultaneously placed on three grid points from the chest to the throat in the front, and likewise in the back of the neck area. In this particular healing, each of two magnets is held in position on three points for six seconds. This is to be repeated three times. Hence, we get 666, the trademark of Satan. Magnetic healing comes in various forms being sold in the form of magnetic insoles, mattresses, chairs, covers, etc..

There is a new toy being used in partnership with the magnetic healers of today. It is called a “trans-cutaneous electrical nerve stimulator, or TENS device”. This electrical instrument supposedly measures various energies in conjunction with acupuncture points by the emitted sounds of the points. There are all types of new fraudulent electrical devices (including solitens) being used today in the holistic and New Age occult health fields.

Applied kinesiology (AK), (not the bonafied AK of the true study of body movement used in the medical field), is also being used with magnetic healing and other holistic practices. One example of how this works is by placing various types of gem stones on various chakra points of the body to get a reading as to the bodies strong and weak points of the energy fields. AK is supposedly based on the role of the thymus gland in regards to its regulation of the bodies energy. AK was originally developed by an occult psychic in the 1960’s, a man named Dr. George Goodheart.

AK has new offshoots called “behavioral kinesiology” and “chiropractic muscle testing” type AK. The points of weakness or strength in the Hindu arts call certain areas “chakra” centres. These supposed energy points are also used in magnetic therapy.

I believe magnetic healing is nothing more than another form of occultic healing like acupuncture, iridology, and all other divination practices.

Ak is found being taught today on many holistic lecture circuits by the likes of Brian Jenner and other occult teachers.

Many claim magnets also stimulate the reflexology points or nerve ends.

IRIDOLOGY

Iridology supposedly originates from Hippocrates about 2000 years ago. Iridology gets its modern day origin from Igntz Von Peczely who, in 1881, told of his theories of organ to iris contact in published works. From then on, in the 1950’s Dr. Bernard Jensen took the occult art further into the New Age realm of holistic healing. Jensen got his beliefs from a New Age luciferian named Priestess Helena Blavatsky and Marilyn Ferguson, a proven occult practicing New Ager well known in the occult fields.

Medical science states that the left and right eyes report via their optic nerves to the right and left hemispheres of the brain respectively. The left eye cannot correspond to anything happening on the left side of the body and likewise for the right eye and it’s right side of the body. Iridologists claim that the problems on the left side of the body can be determined by looking into the left eye, which is scientifically not possible. They also say that the eye filaments connect directly with the bodies organs, which is incorrect. The single optic nerve of the eye is connected directly to the brain rather than to any body organs.

If one wants to learn about the eyes, he must go to an optometrist. These people have seriously studied the human eye and understand it. If one wants to find the reason for medical problems, one should go to a medical doctor. No one should go to a back-alley physician. Iris diagnosis uses the concept that the eye is divided up into 12 zones, like the astrological signs of the zodiac. Iridology is a so-called science that studies the eyes. The person looks into your eyes and supposedly can tell you what your body is lacking as far as vitamins and minerals are concerned. There are no nerves connecting your eyes to your organs, so your eye obviously can't tell anyone what your body is lacking. The nerves in your eyes are connected directly to your brain.

Iridology, through its subtlety, opens one up to sorcery, witchcraft and divination. Medical research has shown iridology to be totally non-scientific. Iridology charts have been shown to be compatible to the mystic charts of Chinese acupuncture and other Hindu occult arts and medicines.

Iridologists claim the entire body can be visualized through the eyes, similar to reflexologists claiming body functions can be manipulated through the nerve endings in the hands and feet.

Iridologists are found using applied or behavioral kinesiology to help them determine what herbs are best used for healing in the iridology holistic field.

*This is a main reason why Believers should not delve into these gray areas of holistic medicine. It simply takes them further and further into other areas of holistic healing, which inevitably allows Satan to have a stronghold in their life. One form of subtle divination turns quickly into serious divination and familiar spirits. We are to rely on the healing powers of our Messiah, if we want healing, not the occult practices of Brian Jenner, Edgar Cayce, color therapy, iridology, acupuncture, reflexology, yoga, gestalt, homeopathy, acupressure, zone therapy, shiatsu, reiki, etc..

*Reflexology, a (science of the hands and feet), and homeopathy, (science of vitamins hand held) are thought by many to be occultic because there is no medical or physiological explanation as to how they work, yet sometimes they work.

CURSES FROM MARTIAL ARTS

People who delve in Martial Arts give reverence to the demon of "violence" without knowing it. Examples of popular martial arts practices are: Kung Fu, Karate, Feng Shui, Astanga (power yoga), Hatha and Kundalini yoga, Tae Kwon Do, etc.. Those who know and understand it, use this power of demonic strength to break bricks, boards, etc., for demonstration purposes. The goal of all those who start out in Yoga, magic, metaphysics, etc. has and always will be "ego" and self-gratification. This love of ego, pride, etc., is exactly what got Lucifer thrown out of Heaven. It is the essence of what Satan feeds on in the general public. People who want to be better than everyone else, walk right into the trap of Satan's best enticement, pride in ones-self. Self-pride goes against everything the Holy Bible stands for. This is the god of "SELF".

Most people think the bowing down, in martial arts ceremonies, is a sign of humility or reverence to the other person, but this is far from the truth. In most organizations, after each training session, the martial arts teacher and the students will bow down to what is called a "god-shelf". Students are trained to spend time meditating on the god images on the shelf. These god images are demons. In fact these people are bowing down, giving

reverence to demons. Anyone who has succeeded in receiving the black belt knows that they are using “powers” of some sort. Most Orientals understand clearly the evil force they are drawing power from, but westerners are very naive about this truth.

The various yells of martial arts are actually types/forms of incantations. The various hand motions are also forms of incantations. Incantations can be “signed” with hand signals similar to the way deaf people use sign language to communicate using their hands. These occult signatures, often used by rock musicians, are used to call on demons in the spirit world. It is sometimes referred to as “runeing”, a common practice of witches.

MEDITATION

Meditation is properly explained in the Bible in **Josh. 1:8** *“This book of the law shall not depart from your mouth, but **you shall meditate on it day and night**, so that you may be careful to do according to all that is written in it; for then you will make your way prosperous, and then you will have success.”* It means to think about and learn about something with a clear mind, not to allow the mind to be blank and out of control, not to allow imaginations to take place. **Isa. 26:3** *“**The steadfast of mind** Thou wilt keep in perfect peace, Because he trusts in Thee.”* **2Cor. 10:3-5** *“For though we walk in the flesh, we do not war according to the flesh, for the weapons of our warfare are not of the flesh, but divinely powerful for the destruction of fortresses. {We are} destroying speculations and every lofty thing raised up against the knowledge of Yahveh, and {we are} taking every thought captive to the obedience of Yeshua,”*

YOGA

Yoga is a commonly used demonic exercise that originates from Hinduism. Yoga comes from the Sanskrit word “yuj” meaning “to join”, as in union with a god. What most don’t realize is, which god. The god referred to in yoga is “Shiva”, part of the Hindu Trinitarian godhead of (Brahma, Vishnu and Shiva). The ultimate goal of yoga is to physically have power over your spirit and soul. To allow the chakra of the god Shakti to go through the six chakra’s, (energy sources), merge through the center of your forehead, (between your two eyes), with the seventh chakra; god of Shiva. Once Shakti merges with Shiva, union, or “yoga” is achieved. If one reaches this level they supposedly possess all powers, psychic abilities, and sinless perfection. The mark in the center of the forehead of many Hindus represents this god of Shiva (mark of Cain). There are four main types of Yoga used in Hinduism: Bhakti yoga, Jnana yoga, Karma yoga, and Raja yoga. All of them have the same goal, but most people are told they are for the various “natures”. They all lead to the same destination; to union with Brahman. The occult is a deep dark pit where all the tracks lead inwards and none out.

CURSES FROM NEW AGE PRACTICES

SILVA MIND CONTROL

Silva mind control introduces people to spirit guides called “counsellors”. People are taught that these counsellors actually exist deep within their inner mind and personality. By using special techniques these people are lead to believe these counsellors can be reached and used as inner guides. They are simply calling on inner demons for help.

SUBLIMINAL TAPES

There are many sources of subliminal tapes now, on a wide variety of subjects. These tapes are to be played repeatedly in ones sleep, or when one is totally relaxed.

These tapes all have repetitive sounds which help relax ones mind so it goes blank. When the mind is inactive Satan enters with demonic control. People then often see visions and hear voices they think are from Yahveh.

NEW AGE TERMS

The terms of the New Age movement have become very deceptive. Unless one asks for the explanation of words being used, one can find himself giving honor to demonic forces without even realizing it. Some of the commonly used terms that few understand, are as follows: energy, energy healing, the gate, intuitive reading, spiritual cleansing, casual realignment, force, entity, vibrations, inner-man/human spirit, electromagnetic vibrations, counsellor (new word for familiar spirits/spirit guides), higher powers, prana (form of breathing used in yoga to bring about the flow of demonic spirit power) and atman (the human spirit of Hinduism).

Other words frequently used are:

self-realization---the ability to control your own spirit so that you can achieve contact with the spirit world.

higher state of consciousness---contact with the spirit world because the New Ager thinks god is the entire spirit world. They make no difference between created spirits and the creator of the spirits.

alpha or theta levels---often used in Silva Mind Control. A trance state where contact with the spirit world is achieved. In such a trance state, these brain waves predominate on an EEG, thus the pseudo-scientific term.

left-brain, right-brain ---this whole theory is used to slide into contact with the spirit world.

When people gain control over their spirit they are able to contact the spirit world. When they do this, they are, in reality, gaining conscious control over their inner spirit man, which actually establishes a bridge between their soul and spirit that is not directed by the Holy Spirit. They are in fact contacting and consulting with familiar spirit demons.

The new age term often used in regards to the third eye is "centering". This New Age term means the process by which one gains contact with the spirit world.

FORTUNE TELLING

A broad category, including all attempts to know the future through means such as tarot cards, psychic predictions, and other divination devices too countless to mention. This occult practice is based on a belief that these artificial devices allow people to gain information about the future or other people, and to use it to their own advantage.

MAGIK/MAGIC

Those who practice occult prefer to spell the word magik in order to distinguish it from sleight of hand magic, such as pulling a rabbit out of a hat. Those who practice magik claim to be able to manipulate people and objects by using a power outside themselves. Since Yah's power would not be available for such a practice, the only other source of such power is Satan. You will find that most magicians are Satanists or heavy into New Age, and that is where their power comes from. They may not be directly involved in a brotherhood/coven, but are still beckoning Satan for the use of the "force". Many levitation acts that can't be explained are simply acts of astral projection, where the spirit man leaves the body and holds up the physical body being levitated. Levitating

oneself is not that uncommon among devil worshipers. The fact is, much of what is seen today as magic are truly magic acts from the power of the force. Many things that seem unbelievable are just that, physical impossibilities used as entertainment to fool the masses and to get people used to the idea of supernatural magical forces of the unexplained.

Famous magicians like Doug Henning, spent incredible time daily meditating in a trance state experimenting with demonic powers for entertainment purposes. The fact that he died so young and was always so sickly looking is an example of what astral projection does to the physical human body. Dougs god could not save him, Doug's god killed him, which is the ultimate goal for all who tamper with the force.

Many magicians are just good with quick moves and maneuvering, but many are truly using the powers of Satan. To even be in their presence for entertainment purposes is to slap Yahveh in the face. To think that some people even consider this entertainment for children, is very sad (1Cor. 2:15).

SPIRITISM

Spiritism is based on the belief that people can contact the spirits of dead people. Such contact is usually done by people called “mediums”. This is always done at the expense of other people in order to gain control over them. “Spiritualism”, the so-called Christian side of spiritism, differs only in that it uses Christian terminology. In reality, spiritualism is only a poorly disguised attempt to whitewash something that is still evil and forbidden by Yahveh. Notice the word “force” used, it should be familiar to most movie going fans.

SICKNESS DUE TO CURSES, DEMONS AND FOOD

Diseases and abnormalities of the body and or soul can be caused by curses and demon spirits; to what proportion I am not sure. It is common for people who are sick to become well immediately after having their curses removed, or being delivered. This, I am sure, is not a coincidence. It seems a shame that our hospitals today are filled with people who need not be there, because they do not believe in Yahveh. I don't contend that we don't need doctors and hospitals, but it is clear to me that if we did what the instruction book tells us to do, most hospitals would be empty. (Exod. 15:26)

Demons can and will exploit physical problems and abnormalities in an individual, and use these circumstances to have domination over the host body in many cases. A demon may take advantage of a persons fondness for food, for example, and cause/help them to become obese. This same principle can be used for various conditions, whether they are mentally or physically noticeable.

Demons don't respond to medication because they are spiritual beings; only the body will respond.

Sin causes curses. Demons attach themselves to curses. Yeshua referred to sin as a serpent in: **Luke 10:19** *“Behold, I have given you authority **to tread upon serpents and scorpions, and over all the power of the enemy, and nothing shall injure you.**”*

In the following scripture, Yeshua means that sin will bite you by means of demons from Satan. **Eccl. 10:8** *“He who digs a pit may fall into it, and **a serpent may bite him who breaks through a wall.**”*

2Cor. 7:1 *“Therefore, having these promises, beloved, let us cleanse ourselves*

from all **defilement** of flesh and spirit, perfecting holiness in the fear of Yahveh.”

Defilement/filthiness is referring to demon presence. We are to cleanse ourselves from the defilement and filth of sin by hitting the mark, which is the Torah.

In the Torah, El Gibor spoke clearly to Moses about curses in the form of plagues, from El Gibor Himself. **Deut. 29:22** “Now the generation to come, your sons who rise up after you and the foreigner who comes from a distant land, **when they see the plagues of the land and the diseases with which Adonai has afflicted it, will say,**” In 2Sam.12:15, we see that Adonai Himself struck a child with sickness so it would die because of the bad deeds of its parents. Even in Matthew, Yeshua healed a paralytic man who’s sin had made him sick. (Matt. 9:4-8)

Many illnesses are the direct result of curses. Taking communion in an unworthy manner, results in a curse, as stated in **1Cor. 11:28** “But let a man examine himself, and so let him eat of the bread and drink of the cup. For he who eats and drinks, eats and drinks judgment to himself, if he does not judge the body rightly. **For this reason many among you are weak and sick, and a number sleep.**”

Exod. 15:26 “And He said, “If you will give earnest heed to the voice of Adonai your Yahveh, and do what is right in His sight, and **give ear to His commandments, and keep all His statutes, I will put none of the diseases on you which I have put on the Egyptians; for I, Adonai, am your healer.**” Adonai makes it obvious here that in order to remain healthy, all we have to do is follow His commandments.

Exod. 23:25-26 “But you shall serve Adonai your Yahveh, and He will bless your bread and your water; and **I will remove sickness from your midst. “There shall be no one miscarrying or barren in your land; I will fulfill the number of your days.”**

Luke 9:42 “And while he was still approaching, the demon dashed him {to the ground,} and threw him into a convulsion. **But Yeshua rebuked the unclean spirit, and healed the boy, and gave him back to his father.**” A combination of sin and demonic problems are seen here.

Luke 6:17-18 “And He descended with them, and stood on a level place; and {there was} a great multitude of His disciples, and a great throng of people from all Judea and Jerusalem and the coastal region of Tyre and Sidon, who had come to hear Him, and to be healed of their diseases; and **those who were troubled with unclean spirits were being cured.**”

One unique characteristic of Yeshua’s ministry, from its very beginning to end, is that he never separated the healing of people’s sickness, and the removal of demons. Deliverance was part of the healing and preaching process. I believe that any sickness or disease that is incurable is of a “demonic” source. In **Mark 1:32-34** it makes it clear to us, “At evening when the sun had set, they brought to him all who were sick and those who were demonized. And the whole city was gathered together at the door. **Then he healed many who were sick with various diseases, and cast out many demons; and he did not allow the demons to speak, because they knew him.**” In verse 39 it continues “And he was preaching in their synagogues throughout all Galilee, and casting out demons.”

Throughout the scriptures when Yeshua met people, he said “Peace be with you” (Shalom). There is much more to that than we realize. Yeshua said this because He knew that one of man’s biggest problems was that of **FEAR AND HATRED**, so He always

comforted those around Him and proclaimed peace upon them. Fear and hatred are evil spirits. They are the result of what a chronic occurrence of something can do to our body and soul. If it affects one, it will inevitably affect the other. **As long as there is “dis-ease” in your thoughts and mind, there will be “disease” in your body.** The familiar verse, “you reap what you sow,” can be easily related to your body. If your mind and soul are under constant stress from doing and saying things that you know are not proper, or from not following to the best of your ability the Ten Commandments, your body will pay the price. Your body reveals the inward activity of your soul.

PITUITARY GLAND AND ADRENAL GLAND

To illustrate what fear does to man, I must try to explain about the “**pituitary gland**” in the back of the head, and the “**adrenal gland**” situated above the kidneys. The pituitary gland produces poisonous (toxic) chemicals to ward off foreign intruders in our bodies defence system, whether they are neurological or in the blood system. When we are constantly bitter or angry, for example, this gland pumps poison into our system to ward off the intrusion of chronic thoughts of anger. Bad, evil, hateful thoughts are foreign to our brain. Our brain wasn’t created to have these thoughts continually, so the pituitary gland is working full-out to destroy the foreign brain waves going through our body. Over the years, this poison can and does cause serious physical problems of numerous kinds. It eats away at the entire system until sickness finally takes place, whether it is cancer, arthritis, ligament problems, bone problems, or what have you. If you remove the problem of anger, fear, hatred, or lust, whatever it may be, your system isn’t eaten apart or damaged from the inside. The adrenal gland has a similar protective use, only it produces in its medulla, steroidal hormones such as epinephrine and norepinephrine, which, when given in large continual doses can do serious harm to the human body.

When we are happy, when we are laughing, when we praise God, and when we exercise, our body produces a substance called “endorphins”. This substance is released throughout our body, relieving pain, and causing healing, like a medicine. Synthetic “morphine” was patterned after endorphins. The exact opposite happens if we are not happy, exercising, laughing, and praising Yah. The endorphins don’t flow and we feel pain and sickness. In **Prov. 17:22** it says “*A joyful heart is good medicine, but a broken spirit dries up the bones.*” This verse perhaps means more than most people realize.

FOOD

Our bodies are temples of the “Living YHVH/Yeshua”. It is reasonable to say that the one who created us knows what’s best for us, whether it be body, soul, or spirit. Yah went through the trouble of listing in detail the clean and unclean foods so we could have a good healthy life. It is because we don’t listen to Yah’s words about food that we are so sickly. We, as Believers, are to stand out from all others. Eating certain foods is one of the ways we are to stand out. These foods may be okay for secular people, but not for Believers. The entire chapter of Leviticus 11, all 47 verses, are dedicated to clarifying the difference between clean and unclean food. **1Pet. 1:15-16** *“but like the Holy One who called you, be holy yourselves also in all {your} behavior; because it is written, “YOU SHALL BE HOLY, FOR I AM HOLY.”*

I think perhaps the easiest way to explain why Yah doesn’t want us eating the unclean foods listed in Leviticus is simply because **they are EARTH’S VACUUM CLEANERS**. Whether we are talking about magpies, a eagle, bear, catfish, shrimp or lobster, we are talking about the vacuum cleaners Yah created to clean up the feces and carcasses of animals debris left after death. These creatures have a divine purpose, but certainly are not meant to eat.

We were told to eat only the types of animals that were clean unto Yah and could also be used as sacrifices. The animals listed in Lev. 11 and Deut. 14 that were accepted as clean, had to chew their cud and have split hooves. These, (cattle, deer, moose, sheep, goats, etc.) Yah/Adonai told us were clean food. Because these animals, called ruminants, have four stomachs, their body can cleanse the food that enters their system. They are able to rid their intake of bad substances, diseases, etc., and keep the toxins from entering the flesh. If you’ve ever watched a deer gracefully reach into the bush and eat the tips of the branches, you would realize how particular they are about what they eat. Under normal circumstances, most animals that chew their cud only eat clean uncontaminated food. They are in fact quite fussy.

The reason Yah told us not to eat pork is simple. The pig is a scavenger. It will eat almost anything, including flesh. The pig does not chew its cud. It has only one stomach, so the diseases, toxins, etc., cannot be fully removed from the meat. Biologists will tell you that lobsters are the largest member of the cock-roach family. Shrimp have the highest cholesterol of any animal that is used for food. Therefore, the meat is not pure. Even the fish must have scales and fins to be clean, otherwise you end up with scavenger filthy fish like catfish, or crab, and ling. These types of animals pick up and live on the garbage and feces of the land and sea, and are obviously unclean. This food, and the others listed, are unclean and simply not good for the human body. It may taste good, but it is not good for us. Animals with split hooves are protected from diseases and foreign substances from flowing into their body system through their feet. Those animals like a bear can be infected with diseases and parasites coming through their feet into their body system. They are much more susceptible to receiving infections and diseases.

These same principles apply to other scavenger animals such as rats, cats, spiders, snakes, bats, mice, cockroaches, and birds of the ground and sea. The animals which Yah presented to us as clean do not instinctively kill other animals for the meat of their flesh.

The fact is, when we kill and eat the clean animals Yah told us to eat, we are using them as a kind of substitutionary sacrifice to Yah. When we do this dividing of food, we are showing to all the pagans in the world that certain foods are unclean, and that only the clean foods or clean people of this world are acceptable to Yah.

The foods we eat are very important in regards to the strength we need in the spiritual battle taking place all around us. It is a well documented fact that in battle conditions warriors eat a lot of meat to keep their energy, protein levels up. It is no coincidence that the Levite Priests of old ate a lot of meat. They were the spiritual warriors in Biblical times, and needed the protein clean meat provides.

The truth is, though we often hear otherwise, there are no good studies done in the medical field that show red meat harmful. An example of a warrior eating red meat (twice) daily, is Elijah (1Kgs. 17:2-6). I'm sure it was, again, no coincidence that Elohim told Noah to eat meat after the flood was over. Adonai knew that Noah would be fighting spiritual battles from that time forth. Red meat contains the protein needed to give our bodies strength and to keep our minds clear.

Satan has kept such control over the medical field that few physicians pay attention to the merits of eating red kosher meat for its incredible protein value. Our physical body deteriorates rapidly, and illness occurs when we lack protein. This is another reason so many vegetarians are so sickly. Their bodies can't fight off infections. Society as a whole, through poor eating habits, has created saints that are weak minded. Most of the false teachings found in any of the health food fads talk of abstinence from red meat. Satan is the one behind the movement! He is the mastermind! Millions of people around the world die needlessly because of the foolishness of not obeying Adonai's word in regards to eating red meat.

Lev. 11:1-47 and Deut. 14:1-21 explains the foods that we are to eat and not to eat. This food is called "kosher" by many.

The body is our sense-consciousness, the soul is our self-consciousness, and the spirit our YHWH-consciousness.

Most illnesses are the indirect or direct result of the work of the devil and the extent of the illness determines the amount of influence the curses and demonic spirits have on a particular area of the person's being.

I believe it is safe to say that all sickness and abnormalities of the mind, soul and or body fall into four categories as follows:

1. Personal abuse (40-50%)

Example; If a person smokes, his lungs get congested and eventually he gets lung cancer, heart disease, etc.. This kind of sickness from an addiction can be prevented. Also, if a person eats the foods that Adonai told us not to eat in the Bible, then we get sick. (Lev. 11:1-47 and Deut. 14:1-21)

2. Accidents (10-20%)

Example; If a person has an injury from a car accident, it can't be helped, but if this injury happened while playing hockey or any other abusive sport, there is no excuse. It is totally preventable, (it can also fall under personal abuse category).

3. Curses (30-40%)

If a person has never removed the curses on himself from any and all sources, it is

his fault, because he is either ignorant, or in some cases, innocent of what the Bible clearly says. This is the decision of his will. Sickness from curses can be cured and prevented.

4. **Demon spirits (10-20%)**

Demon spirits may come down through the blood line, or during pregnancy. If so, they may not be known about, so they can't be fully prevented unless the person knows his Bible well. If a person has sinned and continues to sin, he invites curses and demons on himself, creating sickness. If the person is a Believer, then he should follow his instruction book and deal with them accordingly. These sicknesses, therefore, can be prevented.

*Many Believers are relentlessly attacked physically with illness from the devil, simply because they are working for the glory of Hashem and they have turned their back only for an instant. This is unfortunate but true. It is also normal for newly "born again" Believers to be attacked by Satan in any way he can come up with. Satan constantly attacks people searching in the word of Hashem. He doesn't bother much with the secular world because most of them have demons and he has them under control. Only when one becomes a Believer does he apply full pressure to demonize them. The fact is, "Satan doesn't play fair".

UNCLEAN

Besides unclean food, curses come from many unclean objects. Some scriptures referring to unclean things other than food are as follows:

2Cor. 6:17 *"Therefore, COME OUT FROM THEIR MIDST AND BE SEPARATE," says Adonai. AND DO NOT TOUCH WHAT IS UNCLEAN; And I will welcome you."*

Ezek. 44:23 *"Moreover, they shall teach My people {the} {difference} between the holy and the profane, and cause them to discern between the **unclean and the clean.**"*

Num. 16:26 *"and he spoke to the congregation, saying, "Depart now from the tents of these wicked men, and **touch nothing that belongs to them, lest you be swept away in all their sin.**"*

Lev. 5:2 *'Or if a person touches any unclean thing, whether a carcass of an unclean beast, or the carcass of unclean cattle, or a carcass of unclean swarming things, though it is hidden from him, and he is unclean, **then he will be guilty.**'*

I am convinced that sickness and most physical deformations, not due to personal abuse, broken, or damaged parts of the mind and or body, come from demons, and or curses. There are many examples but no one knows the full extent of these ailments. The curses of Deuteronomy affected the people of biblical times and still affect us today. Most of the curses from Satan are still in effect. It seems that many times the weaknesses of families go on for many generations. The influence of the various types of diseases, physical and mental problems, derived as a result of these curses, and the demons mentioned throughout scripture, cannot be verified. The following lists give you some idea as to what they may include.

SICKNESS OR ABNORMALITIES OF THE BODY

Cerebral palsy, blindness, pigeon toe, club foot, impotency, breast cancer, prostate cancer, midgets, cleft palate or tongue, MS, shingles, high blood pressure, heart attacks, hearing, inner and outer ear infections, back problems, strokes, buck teeth, protruding eyes or jaw, baldness, hearing problems, left handedness, vision problems, sinus difficulties, asthma, barrenness, sterility, addictions of all kinds including drugs, alcohol, food etc., Alzheimer's, Tourettes syndrome, dementia, arthritis, viral infections, hay fever, dysentery, hunchback, TB, down syndrome, mutations of limbs, Parkinson's, migraines, autism, stuttering, bed wetting, etc., can are often the result of a curse.

LEPROSY (TZARAAS)

Leprosy was what it was called when people were spiritually unclean, for whatever reason. Leprosy was what was sent on people who sinned with their mouth. In order to know it was leprosy, a priest had to declare it as such, and the person was isolated until they repented and changed their ways. The unclean/unholy life of an individual made him a spiritual leper. If he didn't clean up his act, the spiritual leprosy became physical leprosy.

In **Acts 8:6-7** it says *"And the multitudes with one accord heeded the things spoken by Philip, hearing and seeing the miracles which he did. For unclean spirits, crying with a loud voice, came out of many who were possessed **and many who were paralyzed and lame were healed.**"*

Gen. 3:16 *"To the woman He said, I will greatly multiply Your pain in childbirth, **In pain you shall bring forth children;** Yet your desire shall be for your husband, And he shall rule over you."* The curse spoken to Eve relates to her function as a woman. Then to Adam He said, **Gen. 3:17** *"Because you have listened to the voice of your wife, and have eaten from the tree about which I commanded you, saying, 'You shall not eat from it'; **Cursed is the ground because of you;** In toil you shall eat of it All the days of your life. **Both thorns and thistles it shall grow for you;** And you shall eat the plants of the field; By the sweat of your face You shall eat bread, Till you return to the ground, Because from it you were taken; For you are dust, And to dust you shall return."* This curse said child bearing would be painful, and it made woman subject to her husband's authority. The

curse spoken to Adam about the land meant that the nature of the soil, would change, and would only produce fruits through hard labor. Thirdly, it meant that because of man's life being spent tilling the soil he would be subject to death and decay, which, before the fall, did not exist. **Gen. 2:15** *"Then Yahveh took the man and put him into the garden of Eden to cultivate it and keep it"*.

The longest running man spoken curse in the Bible is still in existence. Elisha put a curse of leprosy on Gehazi's descendants for all generations. **2Kgs. 5:25** *"But he went in and stood before his master. And Elisha said to him, "Where have you been, Gehazi?" And he said, "Your servant went nowhere. Then he said to him, "Did not my heart go {with you,} when the man turned from his chariot to meet you? Is it a time to receive money and to receive clothes and olive groves and vineyards and sheep and oxen and male and female servants? **Therefore, the leprosy of Naaman shall cleave to you and to your descendants forever.**" So he went out from his presence a leper {as white} as snow."* Adonai Himself stated that He put the curse of leprosy on houses; if it's on a house, it must be on the people inside the house. (Lev. 14:33-35) The Hebrew word "tazria", used here for "leprosy" or "Hanson's Disease," is an incorrect translation. Tazria would be closer transliterated as a supernatural skin condition sent from Yahveh, rather than leprosy.

Jer. 42:18 *"For thus says Adonai of hosts, Yahveh of Israel, "As My anger and wrath have been poured out on the inhabitants of Jerusalem, so My wrath will be poured out on you when you enter Egypt. And you will become a curse, **an object of horror, an imprecation, and a reproach; and you will see this place no more.**"*

Mark 2:5 *"And Yeshua seeing their faith said to the paralytic, "My son, **your sins are forgiven.**"* In this verse we see that sins caused his paralytic problem.

AIDS will destroy the human temple of saints. If a person goes out and participates in a homosexual relationship, not only will he receive the defilement of demons, but he may also receive AIDS. The AIDS will destroy his physical body, thus destroying the temple of the born again Believer. A saint partaking of such evil deeds cannot expect Adonai to protect him from AIDS if he participates in a homosexual encounter, any more than he can expect El Gibor to protect him from receiving demons under the circumstances.

Paul pronounced a curse of **blindness** on Elymas in **Acts 13:9-12** *"But Saul, who was also {known as} Paul, filled with the Holy Spirit, fixed his gaze upon him, and said, "You who are full of all deceit and fraud, you son of the devil, you enemy of all righteousness, will you not cease to make crooked the straight ways of Yahveh And now, behold, **the hand of is upon you, and you will be blind and not see the sun for a time.**" And immediately a mist and a darkness fell upon him, and he went about seeking those who would lead him by the hand. Then the proconsul believed when he saw what had happened, being amazed at the teaching of Adonai."*

In Biblical times, curses were occasionally used by Believers. David used curses that never came into effect till generations later. One such curse came upon Judas of Iscariot about one thousand years after it was spoken. **Ps. 69:22-25** *"May their table before them become a snare; And when they are in peace, {may it become} a trap. May their eyes grow dim so that they cannot see, And **make their loins shake continually.***

Pour out Thine indignation on them, And may Thy burning anger overtake them. May their camp be desolate; May none dwell in their tents.” (also in Acts 1:15-20).

Jgs. 9:57 *“Also Yahveh returned all the wickedness of the men of Shechem on their heads, and the curse of Jotham the son of Jerubbaal came upon them.”*

SICKNESS OR ABNORMALITIES OF THE MIND-SOUL

There is a distinction between the mind and the brain. You must remember, the **“MIND”** is not a physical thing. It is not an entity. It cannot be seen or touched. **The “MIND” cannot be damaged.** Therefore, mental problems can only come from either a physically damaged brain, curses, or demon spirits. Our mind is in the center of our brain, invisible to humans. Our mind can only be affected spiritually, and if you are a child of El Gibor your mind **“CANNOT”** be damaged. It is protected by the Holy Spirit’s influence on your spirit, which in turn influences your soul. This in turn allows your mind to act accordingly, **“soulish,” or “spirit lead”**. If you are not a Believer, then your mind can and is directed and controlled by the evil thoughts of your bodies (five senses) and your **“soulish”** soul. We are warned in the instruction book of life never to trust our **“soul”** (which includes emotions), only our **“spirit”**.

In **Rom. 12:2** *“Be ye transformed by the renewing of your mind”* means our mind, will and emotions (soul), must be re-trained and transformed.

In **2Pet. 2:14** *“having eyes full of adultery and that never cease from sin, enticing unstable souls, having a heart trained in greed, accursed children;”*

In **1Cor. 6:17** *“He that is joined unto Adonai is **one spirit**, with Him”*

1John 2:16 *“For all that is in the world, the **LUST OF THE FLESH** and the **LUST OF THE EYES** and the boastful **PRIDE OF LIFE**, is not from the Father, but is from the world.”* also 1Cor. 10:13.

Ps. 119:21 *“Thou dost rebuke the **arrogant**, the **cursed**, Who wander from Thy commandments.”*

In **Hebr. 4:12** it says *“For the word of Yahveh is living and active and **sharper than any two edged sword and piercing as far as the division of soul and spirit”*** This means clearly that the soul and the spirit are two separate things. The soul is ransomed, redeemed in Exod. 30:12-15, Ps. 49:8, and 34:22.

The only difference between an alcoholic and a glutton is the stimulant; one is in the shape of a bottle and one is in the form of food.

The following is a small list of what I believe are sicknesses of the soul due to curses and or demons:

Homo-sexuality, lesbianism, transsexuals, bi-sexual, hermaphrodite, neutral (third) sex, AIDS, poverty; as per North American or other Indians, bi-polar or manic depression, anorexia nervosa, bulimia, addictions of all kinds, retardation, madness, arachnophobia, claustrophobia, agoraphobia, phobias of all kinds, night-mares, day-dreams, insanity, mania, senility, hallucinations, impotency and schizophrenia, etc..

DREAMS

Many seem to put too much emphasis on dreams today. These dreams can be considered signs and wonders if they line up with the Word, and if the person having them is truly following El Shaddai. If one is not following Him according to the Bible, then I suspect the dreams are nothing more than the mind running loose for no particular

reason, because of emotional events in ones life. Generally speaking, I don't believe we should put much significance in a dream, unless it lines up with a particular divine experience or occasion, as in being Baptized in the Holy Spirit. By this, I don't mean situations prompted by a "slain in the spirit" demonic manifestation, but rather, a divine "revelation or word of knowledge" from Yah. As per the Bible, we must always appraise what is going on around us. This includes our dreams. Appraise, but don't dwell on them. **2Cor. 10:5** "*{We are} destroying speculations and every lofty thing raised up against the knowledge of Yahveh, and {we are} taking every thought captive to the obedience of Messiah*" I would like to mention that in Gen. 41:32 we see the Pharaoh's dreams were repeated. This may establish a bit of a precedence biblically.

In most situations in today's society, I believe what often happens to servants of Yah is that He tries to communicate with them during the day perhaps but they are too busy to recognize it. The only time He can perhaps get their attention is when they go to bed, so He may get their attention in a dream. In this case it is certainly not something one should brag about or freely admit, because if one is properly spirit conscious they should hear His still small voice during their awake hours. In the Bible, dreams are talked about in Gen. 40:8, Jer. 29, and 23:28.

Satan can read your mind. Never blank out your mind. If you don't control it at all times, Satan will oblige you. It is then an open doorway for demons. If our mind is kept active during the day and a spiritual vision or daydream takes place, there is a good possibility it is divinely inspired. If our mind is inactive, as in meditation, Satan will take advantage of it every time, and fill our mind with thoughts that will take us astray. Our thoughts should always be holy, giving Satan no legal right to mislead us.

HOW TO IDENTIFY A CURSE

A curse is like a dark shadow from the past. You don't know where it comes from. It may not be from your lifetime, and probably has something to do with your family background. It stretches out over your life and somehow shuts out the sunshine of Yahveh's blessings. You see other people around you in the sunshine, but rarely do you ever get a chance to get into this sunshine yourself.

One characteristic of curses, is that frequently they will carry on from generation to generation until somebody knows how to cut them off. The result is that many people are enduring in their life, consequences from curses on the family blood-line that may have taken place many generations ago, even to the beginning of time. You have to trace your problem to it's source, and take the appropriate action in order to be released. Generally speaking, if there is a sudden change for the worse in your life, it is probably because of a curse of some kind.

Both curses and blessings can be transmitted by physical objects. Example; at Pass-over communion we receive a blessing by taking wine from a cup blessed by Yahveh. This same cup that gives us a blessing, gives us a curse if our hearts are not pure, and we are not true towards Yahveh. (1Cor. 11:27-30)

INDICATIONS AND RESULTS OF A CURSE

1. mental or emotional breakdown
2. repeated or chronic sickness (hereditary)
3. female problems (barrenness, menstrual cramps etc.)

4. breakdown of marriage and family alienation (family not close together)
5. financial instability and insufficiency, poverty, sense of failure
6. accident prone
7. family history of suicide or unnatural deaths
8. constant humiliation, sadness
9. beneath, rather than above ground, not getting anywhere,
10. tail wagging the head not vice versa (when your soul and body controlling your spirit).

CURSE REMOVAL PROCEDURE FOR BELIEVERS

If you understand the previous mentioned information and you recognize them as pertaining to you, you should understand that these curses can be removed with the guidance of a person gifted/anointed in curse removal, using the following type prayers, done in the proper manner. Under extenuating circumstances Yahveh will deal with people individually in private. The sad fact is, that because most church organizations don't understand the truth about curses, it can be hard to find someone anointed enough to help you in the curse removal. These anointed people are parts of the body of Messiah that the churches are supposed to be informing the people about, but rarely do. When done properly, the gifted saint will simply lay hands on you after all the prayers have been spoken, and ask God to remove the curses. As an anointed person, he or she acts as a representative for the kingdom of Yah to help set the captive free (Isa. 61:1). Once the curses have been removed, it is simple maintenance to keep them from landing again.

Curses cannot be removed from a secular person unless Yahveh makes an exception. This is yet another reason why the moment a person accepts Yeshua in their heart they have so much more freedom available than those who don't believe.

Follow the six steps listed below, and experience for yourself what this type of freedom, (a curse free life), is like. However, you must understand that once the curses are removed you must seek guidance from Yahveh so that more curses cannot bother you. A regular part of your prayer life should include curse removal.

When Yeshua died on the stake He took the curse of the law upon Himself, just like He took on all our infirmities, however these are not automatically applied. Even though you are born again by accepting Yeshua Hamashiach as your Messiah and Savior, it does not mean that you are automatically healed and delivered. Look around you. How many Believers do you know that are sick. It's not automatic to be healed and delivered. Yeshua has empowered the anointed ones in the assembly of His people with his Holy Spirit so that "**BY THE SPOKEN WORD**" we can cast out demons, heal the sick, and break the curses. We need to appropriate our redemption from the curses even though this has already been accomplished at Calvary. In the same way that we need to appropriate salvation and healing by being obedient to His spoken word, we need to break the curses by the spoken word. (Gal. 3:13)

It is realistic to conclude that all of us have curses upon us, whether they be from our past ancestry, from our present sins, or from others. The following procedure will bring about tremendous changes in a person's life. These procedures should be done periodically to be sure that no more curses affect you. Now, walk in the spirit, free from sin, and your life will be new.

After you go through the curse removal procedure you will sometimes find a remaining obvious demonic influence that has to be dealt with in deliverance. Deliverance is the final stage to total freedom.

The first two types of curses from Yahveh and from Satan can be broken only after repentance and forgiveness of the sins that have caused the curses (triggered them). The third type from what might be called illegal means, can easily be broken in the name of Yeshua.

1. RECOGNIZE YOUR PROBLEM

Ask Yah's written word to show you what it is that you are doing wrong. His Holy Spirit will guide you through the written word. Humble yourself in front of the Holy One that created the universe and everything in it. You are in His very presence! Change your way of doing things, and make sure it lines up with the Word, not the Christian church, **"FOLLOW HIM"**.

2. REPENT

Repentance is: laying down our rebellion and submitting ourselves to Yah's righteousness. **Most people are, or have been angry with God, so make sure you repent of that if this is something you feel.**

Bind the spirit of un-repentance and unforgiveness by saying the following: **"I bind you spirit of un-repentance and unforgiveness in Yeshua's name"**.

Most people have a pretty good idea of all the things that they need to repent of, so simply ask Yah to forgive you for them as you list them. Ask the Holy Spirit to show you what you need to **repent** of, and as He shows you, speak out loud. I suggest the following: **"I choose to repent of _____, in Yeshua's name"** (Example: I choose to repent of hating the Jewish people, in Yeshua's name.) This must be done for every sin that comes to your mind. You may or may not want to say out loud what the sin is if you are in public, so you can state the sin to yourself, but it must be vocalized. **Repentance is an inner change of mind, resulting in an outward turning back, or turning around, to face and to move in a completely new direction.** True repentance must always come before true obedience. Without true repentance, there can be no true obedience. **Acts 17:30** *"all men everywhere must repent"*. **Luke 13:3-5** *"except you repent, you shall all likewise perish"* When you are finished listing the things you need to repent of, say the following out loud: **"I choose to repent of all known and unknown sins, in Yeshua's name"**

Ask El Gibor to accept your repentance on behalf of yourself, your children, your parents, and preceding generations.

3. CONFESS YOUR FAITH (make covenant with your mouth)

Humble yourself before Hashem. Be honest! Admit that you have a problem, and call your problem what it really is; E.g.. **"a spade is a spade, not an agricultural implement"**. You must face the facts and be honest about your problems before you can be humble. El Gibor knows your problems, but He can't help you with them until you confess your obedience to Him.

Many Believers proclaim to be Believers and honestly believe they are "born again," but have never actually said the "Sinner's type" prayer out loud, so start there. Repeat out

loud the enclosed “Sinner’s prayer”(included in this book). Then the “profession of faith prayer,” and the “rejection prayer” should be said out loud immediately following. Remember, you are coming to Yah for help. You are symbolically entering the Holiest Of Holies and He knows your every thought before you think it. Make sure that the proper name Yeshua is always used when introducing someone to Abba. There is POWER IN THE NAME!

4. RENOUNCE

Repeat out loud the enclosed “renunciation prayers,” which will renounce any association with most forms of witchcraft or any cult, occult or secret society that you may have been involved in the past. **Ps. 107:2** *“Let the redeemed of say {so}, Whom He has redeemed from the hand of the adversary,”*

5. FORGIVE

Forgive everyone who has ever hurt you. It must be done for yourself and for those who sinned against you. This must be done, or you need not proceed. This process eliminates Satan’s legal right to interfere or torment you because of “un-forgiveness”. This must be done no matter what your emotions tell you. Remember you are never to trust your heart, only your spirit. You must speak out loud : **“I choose to forgive_____ in Yeshua’s name”** **Jer. 17:9** *“The heart is more deceitful than all else And is desperately sick; Who can understand it? When you are finished listing the people you need to forgive, say the following out loud: “I choose to forgive all those who have ever sinned against me, known and unknown, in Yeshua’s name”*

6. PRAY

Follow the procedures listed. Repeat the enclosed “CURSE REMOVAL PRAYER” (included in this book), out loud! Mean it! Your life will be changed! In extreme cases where people have been involved in witchcraft, occult groups, and familiar spirits, it is recommended to write and sign on a piece of paper the following:

“I_____rebuke and make null and void all curses upon me and my family that have been put into writing or cast upon any objects by any person or group of person’s, in Yeshua’s name.”

Curses sometimes take time to remove, but most can be removed instantly.

PART 8 CURSE RENUNCIATION PROCESS

The following curse renunciation is an example (short form version) that will be very helpful to anyone seriously wanting to have all their curses and demons removed. It shows the general principal of renunciation, which is truly just a very detailed repentance declaration. If proclaimed exactly as written I believe it will work for most individuals looking for freedom. This can only be done in the name of Yeshua!!

First one must humble themselves and read out loud the following:

SINNERS PRAYER

I, who speak, accept Yeshua as my Messiah, my Savior.
Yeshua, I believe that you died for my sins.
Messiah Yeshua, I believe that you rose from the grave.

That you are alive today.
Adonai, I turn from my sins and I turn to you.
I open the door of my heart to you.
Yahveh. Come into my heart. Live your life in me.
Save my soul and fill me with your Holy Spirit.
Thank you, Yeshua, for hearing my prayer.

Rom. 10:9 *“For if you confess with your mouth that Yeshua is Yahveh and believe in your heart that Yahveh raised him from the dead, you will be saved. For it is by believing in your heart that you are made right with Yahveh, and it is by confessing with your mouth that you are saved”*

PROFESSION OF FAITH PRAYER

Yeshua is my Messiah and my Savior.
I, who speak, am a child of Yahveh.
I have the righteousness of Yahveh in me.
I know who I am, I am not a mere nothing.
I will not live under the devil's condemnation.
I am somebody who has the Holy Spirit flowing through me.
I will not be defeated.
Yeshua said I can be bold, therefore I will be bold for him.
Praise El Gibor, Hallelu-YAH, I am a Believer!

REJECTION PRAYER

Abba Father, I thank you that you love me.
That you gave Yeshua, your son, to die on my behalf.
That he bore my sin; that he took my rejection.
That he paid my penalty.
Because I come to you through him, I am not rejected.
I am not unwanted; I am not excluded.
You really love me. I am really your child.
You are really my Father, I belong in your family.
I belong to the best family in the universe.
Heaven is my home, I really belong,
El Gibor, thank you.

PROCLAMATION

“I who speak these words am over the age of thirteen and spiritually responsible for my actions. I represent all parts of my body, soul, and spirit. I speak for any and all alters that may be present and part of me, regardless of their names. My Messiah and Savior is Yeshua, the Son of Yahveh. I am covered by His blood. He is the Holy One Of Israel, the God of Abraham, Isaac and Jacob.”

CURSE RENUNCIATION

I understand that Your Living Word (bible) says that sin is lawlessness according to 1John 3:4, and the wages of sin is death according to Rom. 6:23. I understand that the laws, instructions, and statutes summarized as the Ten Commandments written in your Torah, other than those pertaining to the Temple and the Priesthood, are to be adhered to

for all “born again” Believers and Followers of Yeshua the Messiah.

When in faith I am obedient to your instructions, commandments, according to Deut. 11:26-28, I am blessed as one of the seed of Abraham, whom Yahveh blessed in all things. I also understand that when I miss that target (Torah), I sin. When I sin whether on purpose, innocently, or ignorantly, I receive a curse of some form. This curse opens the door to demons that may enter into my life and cause turmoil. These curses may affect me in some way as a result. I also recognize the fact that I have generational curses on my life that exist until you remove them.

I know that Yeshua gave Himself up on the stake at Calvary so that I could be set free from all my sins which often result in curses and demons becoming part of my flesh. Yeshua came to set the captives free (Isa. 61:1-2) and I as one of those captives stand on Your Word. As a “born again” Believer and follower of Yeshua, I ask to be set free and proclaim to be set free of all curses and demons so that I can work to bring glory to Your name.

Your Word says I can be set free, I stand on Your Word, and I establish and accept that freedom with the following proclamation made to You Yahveh.

I renounce verbally all curses placed upon my life from any source, including my ancestors. Please remove all generational curses they affect my life or anyone under my authority back as far as the beginning of time.

I renounce any and all Satan's works of darkness in my life. I renounce witchcraft in all its forms.

I renounce any participation I have ever had with any so-called christian or other type church that does not line up with your scriptures. This includes any affiliation or connection with the Roman Catholic Church (the Whore), or any of her daughters as spoken of in Rev. 17:5. I hereby renounce my affiliation with or membership with any of these businesses' proclaimed to be your church.

I renounce all oaths, including any blood oaths that I have participated in or that anyone has made on my behalf or in my name that do not line up with Your Word. I ask that you place those oaths under the blood of the lamb and make them null and void.

I ask Father that you remove any curses that have come upon me because of any cursed objects, music, movies, books etc. I have, I have viewed, or have had in my possession.

I ask that you make null and void any curse that has come into my life because of any object in or on my body and I ask that the connection made therefore be broken. Please also remove the curse that may have come from any blood transfusion or organ transplant that I have received.

I ask you to break all “soul ties” with any person in my life that is not “born again” and any and all sources of hypnotic (soul power type) ties that may have bound me.

I admit that I have sinned and I ask you Abba Father, the God of Abraham, Isaac, and Jacob, to release me from any and all these curses in Yeshua's name.

I also ask that you Father release any and all curses that I have spoken into existence on myself and any other person, place or thing. I ask that you make them null and void from this day forth for me and all those who are or have been under my authority. I ask that you put them under the blood of the Lamb.

I ask Yahveh that if I have any curses on my life that I am not aware of, be removed from my life in Yeshua's name.

I ask Yah that you now set me free from these curses and the demons assigned to those curses in Yeshua's name.

I humbly accept this as an act of Your grace and mercy and I thank you for it. Please wipe the slate clean so that I can start over.

I, as a cleansed born again Believer in Yeshua, offer myself to you, the Holy One of Israel as a Living Sacrifice, that you may use me as You so desire to bring Glory to Your name.

Please now use me Abba as a vessel to bring blessings and truth to other captives wherever they may be. Use me as a vessel of Your Ruach HaKodesh (Holy Spirit) to bring liberty, light and life to those who have the ears to hear and the eyes to see the truth of Your Living Word, Yeshua.

Hallelu-Yah, "Praise Yah" I am free at last.

DELIVERANCE PRAYER #1 (SELF-DELIVERANCE PRAYER)

Yahveh, Yeshua Hamashiach

I who speak believe You died at Calvary for my sins.

And rose again from the dead.

You redeemed me by Your Blood and I belong to you.

I want to live for you. I confess all my sins, known and unknown.

I repent of them, I renounce them, and I hate them.

I forgive all others, as I want you to forgive me.

Please forgive me now and cleanse me with Your Blood.

I come to You now as my deliverer.

I claim the promise of your word.

Who-so-ever calls on the Name of Yahveh shall be delivered.

I call upon you now, in the Name of the Yeshua Hamashiach.

Please deliver me, and set me free.

Satan, I renounce you and all your works.

I loose myself from you in the name of Yeshua.

I command you to leave me right now, in Yeshua's name.

"I _____ rebuke and make null and void all curses upon me and my family that have been put into writing or cast upon any objects by any person or group of person's in Yeshua's name."

*Deliverance may or may not come immediately, but definite changes will result.

For those who get their deliverance, I strongly suggest you seriously take into account the following verses. Many people get deliverance, but only a rare few ever seem to admit they received help and were delivered, because they are embarrassed. If they are embarrassed about sharing with others how they got set free then they obviously don't understand how clear Yah's word is in this regard. **Luke 17:17-19 Yeshua said, "Weren't ten cleansed? Where are the other nine? 18 Was no one found coming back to give glory to God except this foreigner?" 19 And to the man from Shomron he said, "Get up, you may go; your trust has saved you."** Yeshua makes it obvious here that of the ten

who were cleansed (set free), only one gave testimony of his deliverance. Not giving testimony of Yahveh's miracles is a sure fire way to not get blessed.
