

WECS Reopening Plans

Routines

Everyone on campus must wear a mask. If you do not have a mask, we have some to give you.

Charlene and Stacey will be at the front gate to greet students and ask how they are feeling. Students will go to their classrooms and should have a place to sit so they stay at their tables as others come.

Parents should not come onto campus unless they need something from the office or need to talk to someone in the office. We are trying to limit the number of people on campus. Thank you for your help with this.

April Plans (after Spring Break, April 5-9), starting Monday, April 12

Plans

We are doing a staggered drop off / pick up schedule to avoid cars backing up in front of the school. If you have students in 2 different classes, please just drop off at the earlier time. Students can go to classes a few minutes early. For pick-up, please park in the parking lot, get the earlier student, and wait for the later student outside the gate.

Kindergarten will remain as is for the rest of the year (9-12 and 12:30 to 3:30 with an 8 am zoom for those who cannot come to campus)

Grade 1 Mon/Wed or Tues/Thurs **9am to 2 pm** each day, with a daily zoom at 9:00 for those not on campus that day and also at 2:30 for those not coming to campus, subject to change.

Grade 2 Mon/Wed or Tues/Thurs **9am to 2 pm** each day, with a daily zoom for students who are not coming to campus.

Rapid Covid Testing

We will have Rapid Covid testing for all students and staff starting April 12. We will test twice a week so that the tests are more accurate and we can get an understanding of the health of our community. Thank you for your help with this.

Here is a video of how the rapid Covid testing works:
