The WALLS of JERICHO CRAFT

And it happened at the seventh time the priests blew with the ram's horns. And Joshua said to the people, Shout! For YAHWEH has given you the city. Joshua 6:16

SUPPLIES NEEDED:

- 2 large pieces of brown construction paper or 6 (4.5" x 6.5") sheets
- Black construction paper 3"x 3" square
- Scissors
- Glue
- Masking tape
- Colored pencils or crayons
- Hole punch
- 12" piece of yarn or string
- Half of a toilet paper roll
- Cut-out and template provided

If you don't have the colored paper, NO worries! You can color white paper with crayons!

How to Do ~

Cutting and Coloring:
Templates and Cut-outs on page 4

1. Using the wall template, cut 4 rectangles of brown construction paper (about 6" x 3").
2. Using the tower template, cut 6 each (2"x 4 ½").
3. Using the gate template, cut 1 black square (3"x 3").
4. Cut out the Israelite men picture. You can cut on the line, or cut to make it smaller.
5. After cutting out the picture, color with crayons or colored pencils.

Assembly:

1. Tape the 4 walls together, end to end, with small pieces of masking tape so the walls stand up and form a box shape. **(See Example A)**
2. Glue the 6 towers to the inside of the walls. Two in the front, two in the back and one on each side.
3. Glue the gate on the front wall between the two towers. **(See Example B)**
4. Add glue to one side of the toilet paper roll and add the colored cut-out of the Israelite men.
5. Punch a hole on each side of the paper roll and thread the yarn through the holes and tie a knot. **(See Example C)**
6. When assembly is all finished, pull the Israelite men around Jericho with the string to show how they marched around the walls.
7. The walls can be collapsed down flat on the seventh time around!
